Choose your top 3 concerns

- A. Decaying infrastructure
- B. Poor water quality
- C. Finding/keeping good employees
- D. Maintaining adequate spare parts inventories
- E. Inadequate revenue
- F. Getting a certified operator
- G. Developing an asset inventory and map
- H. Passing knowledge on to future employees
- I. Getting help with bookkeeping and CPA
- J. Procurement procedures

At your tables

- Introduce yourself again
- Go around the table. Each person should discuss their take on this problem at their water system
- Offer ideas of how to solve the problem
- Talk about what stands in the way of the problem being solved
