Technical Information

The screenshot displays the 'Parts Manual View' for Material W174 in the AURSI.COM system. The interface includes a left-hand navigation menu with options like 'APEXW Home', 'Logout', 'Utility Admin', 'Edit Your Profile', 'Supplier Bulletin', 'Supplier List', 'Service Request', 'Support', 'Materials Manual', 'Add', 'Edit / Search', 'Spec Maintenance', 'Loss Setup', 'Event System', 'Create Event', 'Event List', 'Boiler Plate List', 'Surplus Property', 'Manage', 'Company Mode', 'APEXE', and 'AURSI'. The main content area shows details for 'Town of Apex - Water/Sewer, NC' with Stock Number W174, Revision Date 9/24/2018, and Revised By Steve Maynard. It includes fields for 'Viewable By' (All, Utility Personnel, Edit Personnel), 'Description' (Ball valve 2" with padlock ability), 'Specs/Remarks', 'Utility Notes', 'Load Losses' (Losses must be added to the system before they can be selected - Transformers ONLY!), and 'No attached specifications'. A table lists manufacturers (Cambridge Brass, Ford, James Jones, Mueller) with their catalog numbers and modified dates. Below this is a 'Purchasing Contacts' table with Karen Weston and Steve Maynard. At the bottom, a 'Cross Reference Company' table lists related parts from City of Bartow, City of Dover, and City of Homestead.
