8:30 AM – 4:30 PM

Hatch Mott MacDonald - Training Room
111 Wood Avenue South
Iselin, NJ 08830

* Convenient location to train & highways
Free parking available onsite.

Cost: FREE. Register online at efcnetwork.org/events/new-jersey-water-finance-forum-workshop/ or mail the form below. **Morning snack, lunch, and afternoon refreshments included.**

CEUs: This forum has been submitted for CEUs. Please check the registration page for updates on approved credits.

Why Attend?

The U.S. EPA Water Infrastructure and Resiliency Finance Center and Environmental Finance Center Network invite you to a peer and funder networking event. Topics will include setting sustainable rates, incorporating asset management, and communicating the value of water to the public.

Come to the Forum to:

- Hear how utilities have made financing decisions with water quantity and sustainable operations in mind
- Network with your peers on implementing successful financing strategies
- Interact with experts to discuss local infrastructure financing needs

Who Should Attend?

Water and wastewater utilities, water sector professionals, and elected officials
