Environmental Finance Center Network (EFCN)

The Environmental Finance Center Network (EFCN) is a university-based organization creating innovative solutions to the difficult how-to-pay issues of environmental protection and improvement. The EFCN works with the public and private sectors to promote sustainable environmental solutions while bolstering efforts to manage costs.

Small Systems Program Team

- Environmental Finance Center at The University of North Carolina at Chapel Hill
- Southwest Environmental Finance Center at the University of New Mexico
- Syracuse University Environmental Finance Center
- Environmental Finance Center at Wichita State University
- EFC West

Rate Setting and Fiscal Planning

Leadership Through Decision-making and Communication

Water Loss Reduction

Energy Management Planning

Accessing Infrastructure Financing Programs

Workforce Development

Water Conservation Finance and Management

Collaborating with Other Water Systems

Resiliency Planning

Managing Drought

Quick Introductions

1. Name?
2. Organization?
3. Responsibility?
4. Details on your water system
5. What are you most proud of at your water system?
6. What is your biggest issue?

Workshop Objectives

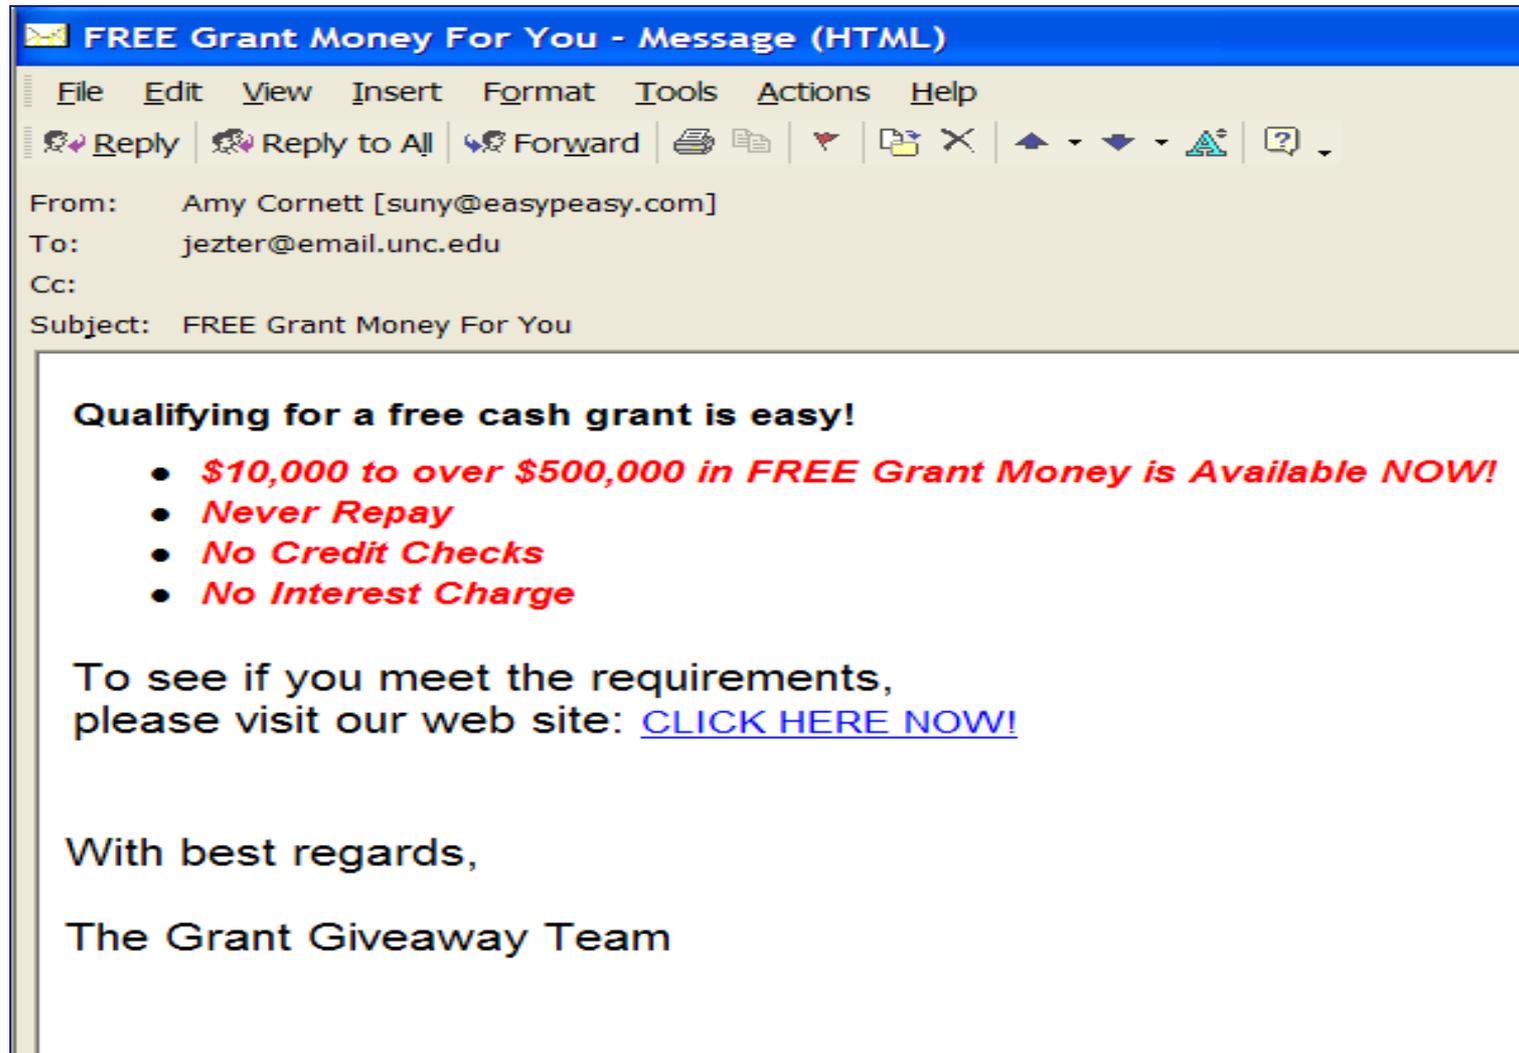

- Learn about how to pay for equipment for your water system
- Discuss ways that water systems can work together
- Provide forum for sharing finance and management perspectives, ideas, and experiences

Agenda

- Funding programs available for drinking water systems in the VI
- Water system partnership models
- Solving common problems together

Watch: Millions seized from Nigerian apartment 01:14

Story highlights

Nigeria's anti-corruption agency discovered \$43 million in cash at a Lagos apartment

This is the latest in a string of busts thanks to a new whistleblowing policy

Lagos (CNN) — The Nigerian anti-corruption unit discovered more than \$43 million in US dollars at an upscale apartment in Lagos.

The anti-graft agency said in a statement it raided the apartment Tuesday after a tipoff about a "haggard"
