

Working Together to Protect Your Drinking Water Source

Edward Suslovic, Moderator, New England Environmental Finance Center

Paul Hunt, Environmental Manager, Portland Water District (PWD)

Chad Thompson, Source Protection Coordinator, PWD

Laurel Jackson, Water Resources Specialist, PWD

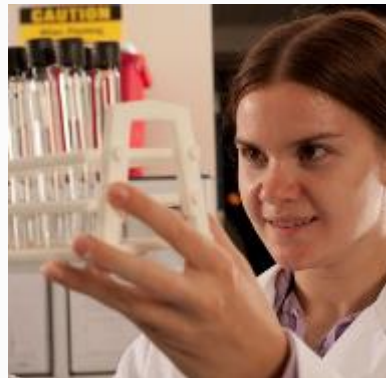

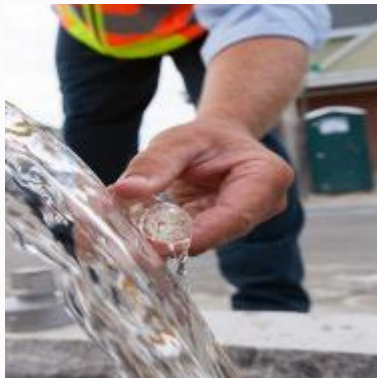

Collaboration for water source protection

Portland Water District

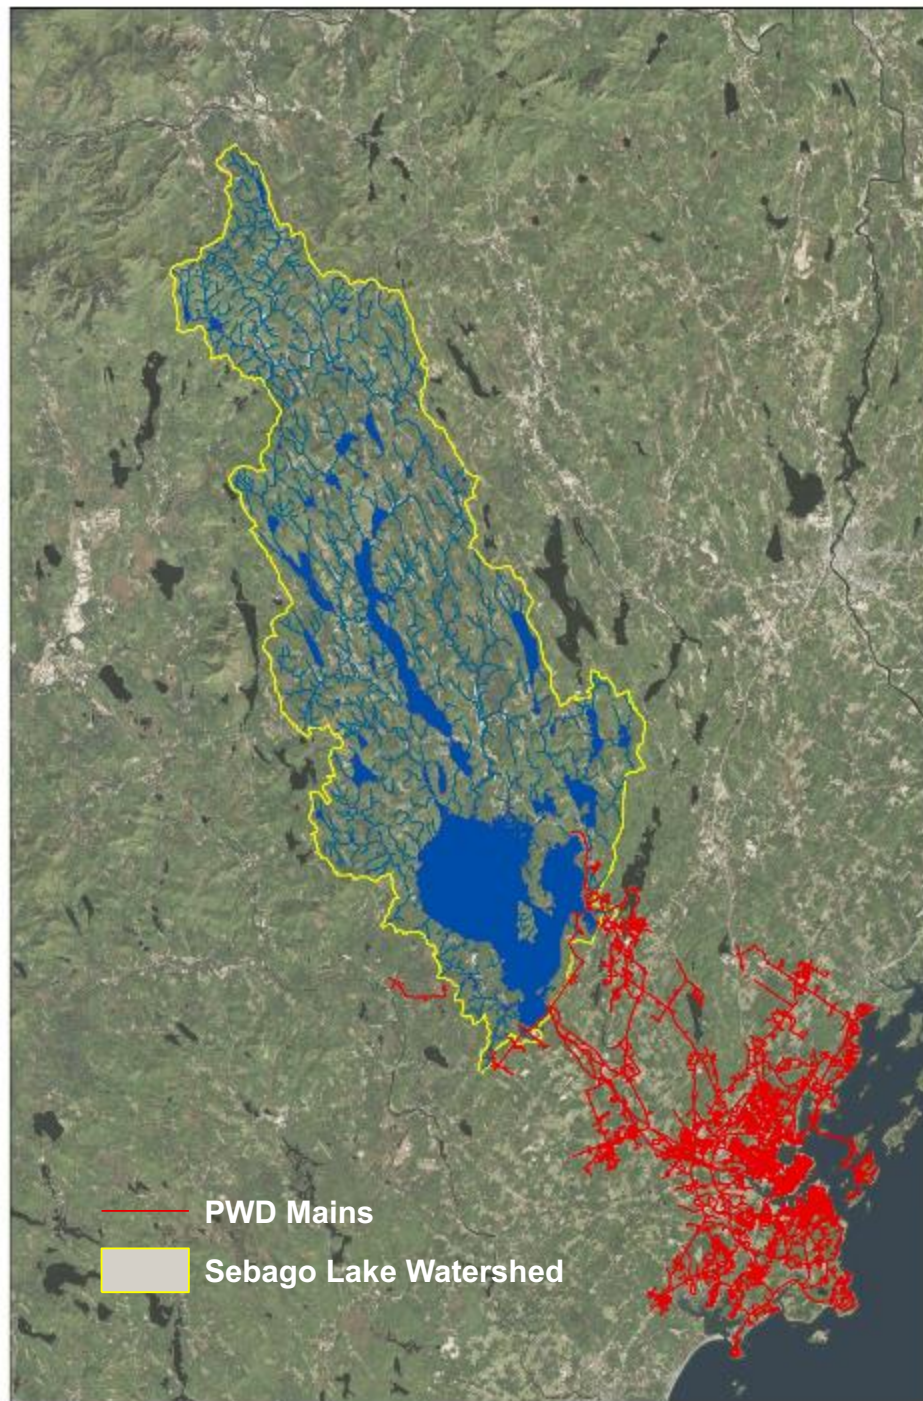

- Drinking water since 1908
- Serving Maine's largest metropolitan area
- 200,000 consumers in 11 communities
- 22 Million GPD

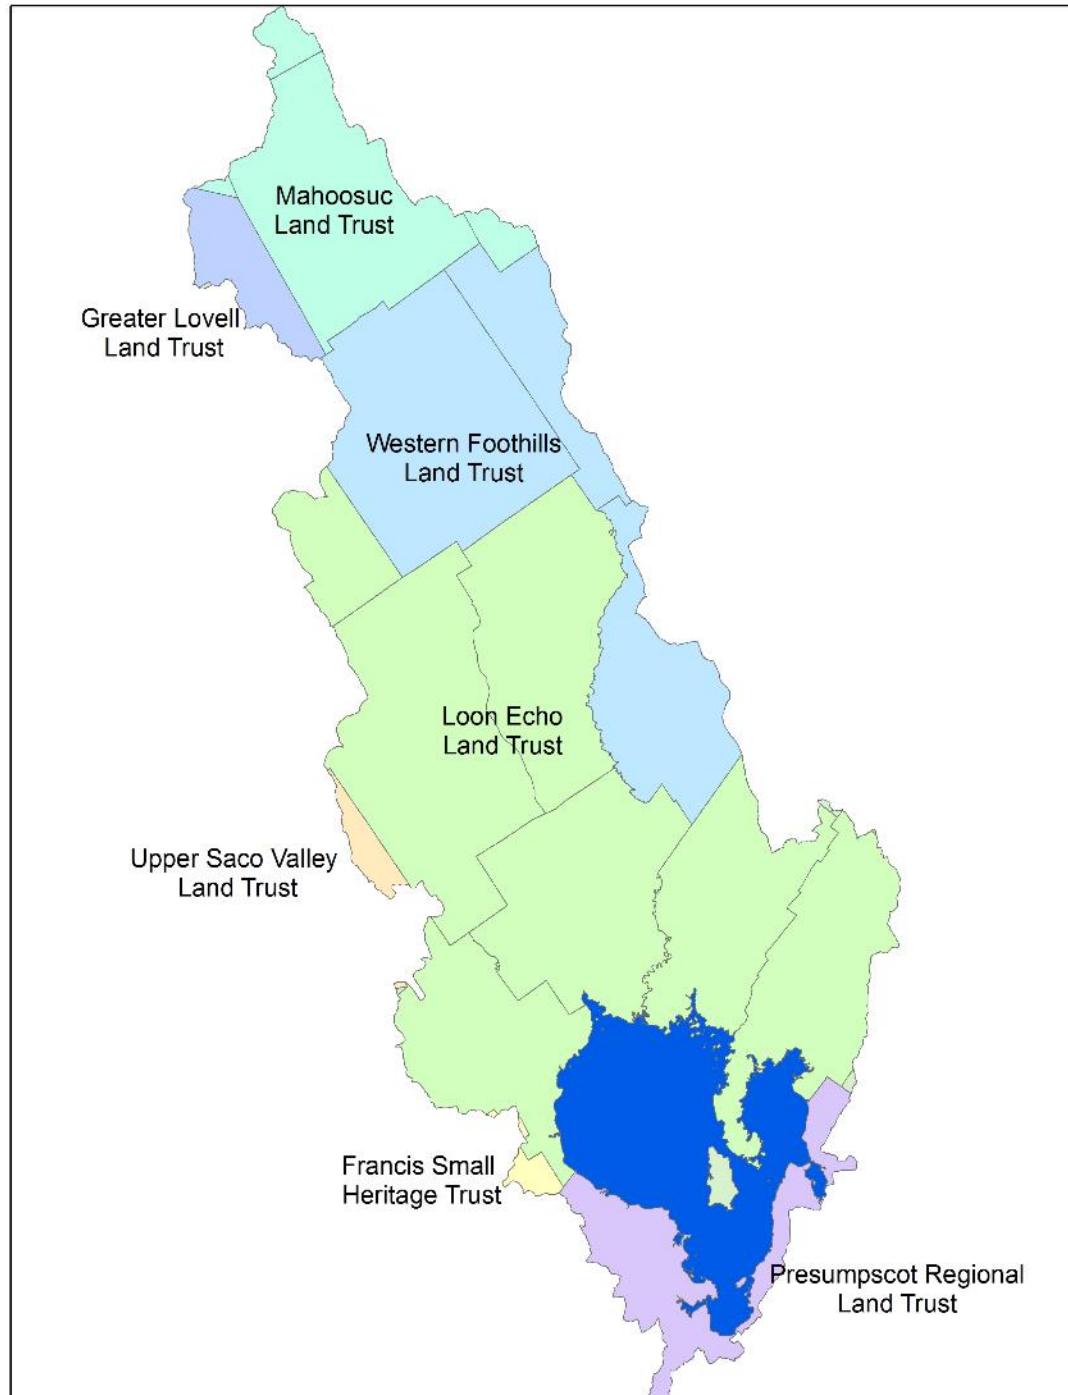

Sebago Lake

Sebago Clean Waters

Sebago Clean Waters seeks to protect water quality, community well-being, and the health of fish and wildlife in the Sebago watershed through voluntary forestland protection.

Maine Drinking Water Program
