

Current Funding Opportunities: grant and loan programs within the Natural Resources Agency, and its departments and conservancies

(This is the January 2019 update. Information is updated periodically, about every six months)

Program Name	Program Summary	Type	Who is Eligible to Apply	Application Cycle Begins	Max/ Min Award Amounts	Funding Source	How much funding is left to award in total?	How much \$ might be awarded in the next 6 months?	Contact Information
California Natural Resources Agency									
Ocean Protection Council	The Ocean Protection Council (OPC) is charged with implementing the California Ocean Protection Act (COPA), and funds projects and programs that target the actions identified in the OPC Strategic Plan (http://www.opc.ca.gov/strategic-plan/). OPC priorities are focused around five key areas: science-based decision making, climate change, sustainable fisheries and marine ecosystems, land based impacts to ocean resources, and existing and emerging ocean uses.	Grant/Loan	<p><u>Proposition 68</u>: public agencies, nonprofits, universities, public utilities, federally recognized Indian tribes, state Indian tribes on the NAHC CA Tribal Consultation List, mutual water companies.</p> <p><u>MPA Monitoring</u>: Public agencies, nonprofits, universities, public utilities, federally recognized Indian tribes, state Indian tribes on the NAHC CA Tribal Consultation List</p> <p><u>Once-Through Cooling Interim Mitigation Funds</u></p> <p><u>Environmental License Plate Funds</u>: Public agencies, nonprofits, universities, public utilities, federally recognized Indian tribes, state Indian tribes on the NAHC CA Tribal Consultation List</p> <p><u>Proposition 1</u>: public agencies, nonprofits, universities, public utilities, federally recognized Indian tribes, state Indian tribes on the NAHC CA Tribal Consultation List, mutual water companies.</p>	<p><u>Proposition 68</u>: Grant guidelines finalized in mid-2019. Solicitation anticipated in late summer 2019</p> <p><u>MPA Monitoring</u>: Request for qualifications issued in October 2018; deadline for submittal is December 20, 2018; projects awarded in May 2019</p> <p><u>OTC Funds</u>: First round LOI cycle for restoration projects closed. Invited full proposals due in February 2019; projects awarded in May 2019</p> <p><u>ELPE</u>: Ongoing</p> <p><u>Proposition 1</u>: Round 3 solicitation anticipated in January 2019; projects awarded in August 2019</p>	<p><u>Proposition 68</u>: TBD</p> <p><u>MPA Monitoring</u>: TBD</p> <p><u>OTC Funds</u>: Minimum - \$500,000</p> <p><u>ELPE</u>: TBD</p> <p><u>Proposition 1</u>: TBD</p>	<p><u>Proposition 68</u>: Proposition 68</p> <p><u>MPA Monitoring</u>: General Fund, Once-Through Cooling Interim Mitigation Funds, Proposition 84</p> <p><u>OTC Funds</u>: Once-Through Cooling Mitigation Funds</p> <p><u>ELPE</u>: ELPF</p> <p><u>Proposition 1</u>: Proposition 1</p>	<p><u>Proposition 68</u>: \$56.2 million</p> <p><u>MPA Monitoring</u>: \$9.5 million</p> <p><u>OTC Funds</u>: \$5.4 million annually</p> <p><u>ELPE</u>: \$15 million</p> <p><u>Proposition 1</u>: \$10.3 million</p>	<p><u>Proposition 68</u>: \$1 million</p> <p><u>MPA Monitoring</u>: \$9.5 million</p> <p><u>OTC Funds</u>: \$3.4 million</p> <p><u>ELPE</u>: TBD</p> <p><u>Proposition 1</u>: \$10.3 million</p>	<p>www.opc.ca.gov</p> <p>Contact: Jenn Eckerle jenn.eckerle@resources.ca.gov</p>
Urban Greening	The Urban Greening Grant Program funds projects that reduce greenhouse gas emissions by sequestering carbon, decreasing energy consumption and reducing vehicle miles traveled, while also transforming the built environment into places that are more sustainable, enjoyable, and effective in creating healthy and vibrant communities.	Grant	City, county, special district, nonprofit organization, or any agency or entity formed pursuant to the Joint Exercise of Powers Act (Chapter 5 (commencing with Section 6500) of Division 7 of Title 1), if at least one of the parties to the joint powers agreement qualifies as an eligible applicant, notwithstanding the Joint Exercise of Powers Act.	Round 3 solicitation anticipated in January 2019	No min/max	Greenhouse Gas Reduction Fund	\$19 million	\$19 million	<p>urbangreening@resources.ca.gov</p> <p>Contact: Melissa Jones melissa.jones@resources.ca.gov (916) 653-2812</p>

Program Name	Program Summary	Type	Who is Eligible to Apply	Application Cycle Begins	Max/ Min Award Amounts	Funding Source	How much funding is left to award in total?	How much \$ might be awarded in the next 6 months?	Contact Information
Environmental Enhancement & Mitigation	Funding for projects that contribute to mitigation of the environmental effects of transportation facilities as follows: 1) urban forestry projects designed to offset vehicular emissions of carbon dioxide; 2) resource lands projects that provide for the acquisition or enhancement of resource lands to mitigate the loss of, or the detriment to, resource lands lying within or near the right-of-way acquired for transportation improvements; and 3) mitigation projects beyond the scope of the lead Agency responsible for assessing the environmental impact of the proposed transportation improvement.	Grant	Any state, local, federal, or 501c(3) non-profit entity. The agency or entity is not required to be a transportation or highway related organization, but must be able to demonstrate adequate charter or enabling authority to carry out the type of project proposed. Two or more entities may participate in a project with one designated as the lead agency.	2018 grant cycle closed. Next solicitation in April 2019.	Maximum: \$1.0 million for acquisitions and generally \$500,000 for development projects	Transportation fees	Annual \$6.7 million appropriation	\$6.7 million	eemcoordinator@resources.ca.gov Contact: Larelle Burkham-Greydanus larelle.burkham-greydanus@resources.ca.gov (916) 653-2812
Museum Grant Program	Funding to support small capital projects in museums, including the acquisition of real property or construction projects at museum facilities or venues. This may change in the next cycle after the public comment period.	Grant	Museums located in the State of California if they are either: 1) a public agency (federal, state, city, county, district, association of governments, joint powers, or federally-recognized Indian tribe); or 2) a nonprofit organization that has among its principal charitable purposes the preservation of historic or cultural resources for cultural, scientific, historic, educational, recreational, agricultural, or scenic opportunities.	Next anticipated solicitation in Fall 2020.	TBD	California Museums (Snoopy) License Plates	TBD	\$0	mgpcoordinator@resources.ca.gov Contact: Diane.Sousa diane.sousa@resources.ca.gov (916) 653-2812
River Parkways	Funding for projects that involve natural creeks, streams and/or rivers, even if they flow only during the rainy season, or channelized or culverted creeks, streams and/or rivers. Projects must meet at least two of the following five statutory conditions: * recreation - provide compatible recreational opportunities, including trails for strolling, hiking, bicycling, and equestrian uses along rivers and streams. * habitat - protect, improve, or restore riverine or riparian habitat, including benefits to wildlife habitat and water quality. * flood management - maintain or restore the open space character of lands along rivers and streams so that they are compatible with periodic flooding as part of a flood management plan or project. * conversion to river parkways - convert existing developed riverfront land into uses consistent with river parkways. * conservation and interpretive enhancement - provide facilities to support or interpret river or stream restoration or other conservation activities.	Grant	Public agencies and qualified California nonprofit organizations.	Round 2 solicitation closed.	No min/max	Proposition 68	approx. \$7 million	approx. \$7 million	bondsandgrants@resources.ca.gov Contact: Jocelyn Raphael jocelyn.raaphael@resources.ca.gov (916) 653-2812
California Trails and Greenway Investments	Funding to provide nonmotorized infrastructure development and enhancements that promote new or alternate access to parks, waterways, outdoor recreational pursuits and forested or other natural environments to encourage health-related active transportation and opportunities for Californians to reconnect with nature.	Grant	Local agencies, state conservancies, federally recognized Native American tribes, nonfederally recognized California Native American tribes listed on the California Tribal Consultation List maintained by the Native American Heritage Commission, joint powers authorities, and nonprofit organizations.	Pending final guidelines, solicitation anticipated Summer 2019.	TBD	Proposition 68	\$27.7 million	\$0	bondsandgrants@resources.ca.gov Contact: Polly Escovedo polly.escovedo@resources.ca.gov (916) 653-2812

Program Name	Program Summary	Type	Who is Eligible to Apply	Application Cycle Begins	Max/ Min Award Amounts	Funding Source	How much funding is left to award in total?	How much \$ might be awarded in the next 6 months?	Contact Information
Cultural, Community, and Natural Resources Program	Funding for various project types: Resources; Fossil Fuel Powerplant Conversions; Science Centers; Park, Water and Natural Resources; Community, Cultural and Education.	Grant	Local agencies, nonprofit organizations, nongovernmental land conservation organizations, federally recognized Native American tribes, or nonfederally recognized California Native American tribes listed on the California Tribal Consultation List maintained by the Native American Heritage Commission.	Solicitation in December 2018; Awards anticipated December 2019.	No min/max	Proposition 68	\$37 million	\$0	bondsandgrants@resources.ca.gov (916) 653-2812 Contact: Teresa Mallory teresa.mallory@resources.ca.gov
Urban Green Infrastructure Program	Funding for multibenefit green infrastructure investments in or benefiting disadvantaged or severely disadvantaged communities.	Grant	Local agencies, nonprofit organizations, nongovernmental land conservation organizations, federally recognized Native American tribes, or nonfederally recognized California Native American tribes listed on the California Tribal Consultation List maintained by the Native American Heritage Commission.	Pending final guidelines, solicitation anticipated Spring 2019.	TBD	Proposition 68	\$18.5 million	\$0	bondsandgrants@resources.ca.gov (916) 653-2812 Contact: Carol Carter carol.carter@resources.ca.gov
Urban Stormwater and Waterways Improvement Program	Funding for the purposes of multibenefit projects in urbanized areas to address flooding. Projects shall include but are not limited to stormwater capture and reuse, planning and implementation of low impact development, restoration of urban streams and watersheds, and increasing permeable surfaces to help reduce flooding.	Grant	Local agencies, nonprofit organizations, nongovernmental land conservation organizations, federally recognized Native American tribes, or nonfederally recognized California Native American tribes listed on the California Tribal Consultation List maintained by the Native American Heritage Commission.	Anticipate draft guidelines and public hearings mid-2019.	TBD	Proposition 68	\$92.5 million	\$0	bondsandgrants@resources.ca.gov (916) 653-2812
California Department of Conservation									
Sustainable Agriculture Lands Conservation Program (Sustainable Agricultural Lands Planning Grants)	The Sustainable Agricultural Lands Conservation Program (SALC) supports the state's greenhouse gas (GHG) emission goals by making strategic investments to protect agricultural lands. Sustainable Agricultural Lands Conservation Planning Grants — Short term grants to counties, cities, and partners, to inventory and evaluate which agricultural lands are most highly productive and critically threatened and develop locally appropriate strategies, programs and actions that ensure the long term protection of those lands.	Grant	Counties, cities, Local Agency Formation Commissions, and special districts as the lead applicant(s) in collaboration with other partners.	Annually. Applications due Sept 1 2019	Up to \$250,000 each	Greenhouse Gas Reduction Fund	Funding varies each year depending on GGRF auction proceeds	Anticipate awarding approximately \$1 million in 2019	California Department of Conservation Division of Land Resource Protection (916) 324-0868 http://www.conservation.ca.gov/dlrp/SALC/P/Pages/Index.aspx Contact: Virginia Jameson Strategic Growth Council (916) 322-2318 http://sgc.ca.gov/programs/salc/
Sustainable Agriculture Land Conservation Program (Agricultural Conservation Easements)	The Sustainable Agricultural Lands Conservation Program (SALC) supports the state's greenhouse gas (GHG) emission goals by making strategic investments to protect agricultural lands. Agricultural Conservation Easements—Provide funding to leverage the protection of strategically located, highly productive, and critically threatened agricultural land, via the purchase of permanent agricultural conservation easements.	Grant	Local governments and private nonprofit (501(c)3) organizations which have among their defined purposes the conservation of agricultural lands.	Annually. Applications due Sept 1 2019; mandatory pre-proposals due April 19, 2017 for easement grants.	None	Greenhouse Gas Reduction Fund	Funding varies each year depending on GGRF auction proceeds	Anticipate awarding approximately \$45 million in 2019	California Department of Conservation Division of Land Resource Protection (916) 324-0868 http://www.conservation.ca.gov/dlrp/SALC/P/Pages/Index.aspx Contact: Virginia Jameson Strategic Growth Council (916) 322-2318 http://sgc.ca.gov/programs/salc/
California Farmland Conservancy Program	The California Farmland Conservancy Program (CFCP) seeks to encourage the long-term, private stewardship of agricultural lands through the voluntary use of agricultural conservation easements. The CFCP provides grant funding for easement and planning projects that support agricultural land conservation statewide.	Grant	City, county, nonprofit organization, resource conservation district, or a regional park or open-space district or regional or open-space authority that has the conservation of farmland among its stated purposes or as express in the entity's locally adopted policies.	Anticipate solicitation in spring 2019	\$1,322,000	Props 40, 84	\$1,322,000	\$1,322,000	California Department of Conservation Division of Land Resource Protection (916) 324-0868 https://www.conservation.ca.gov/dlrp/grant-programs/cfcp Contact: Virginia Jameson

Program Name	Program Summary	Type	Who is Eligible to Apply	Application Cycle Begins	Max/ Min Award Amounts	Funding Source	How much funding is left to award in total?	How much \$ might be awarded in the next 6 months?	Contact Information
Agricultural Land Mitigation Program	ALMP provides grant funding to purchase agricultural conservation easements to offset farmland loss associated with the California High-Speed Rail alignment in Fresno, Kern, Kings, Madera, Merced, Santa Clara, and Tulare Counties. The program seeks to protect land comparable to that taken out of production for the High-Speed Rail system.	Grant	Agricultural land trusts or land trusts with an agricultural conservation focus.	Anticipate solicitation in fall 2018	\$19,410,474.91	High Speed Rail Authority	\$19,410,474.91	Anticipate availability of \$15,000,000	California Department of Conservation Division of Land Resource Protection (916) 324-0868 https://www.conservation.ca.gov/dlrp/grant-programs/mitigation/Pages/AgLandMitigationHSR4.aspx Contact: Virginia Jameson
Transformative Climate Communities Program - Planning Grants	The TCC is a California Climate Investment (CCI) program administered by the Strategic Growth Council (SGC) in partnership with the Department of Conservation (DOC) and other partnering State agencies. TCC empowers communities most impacted by pollution to choose their own goals, strategies, and projects to reduce greenhouse gas emissions and local air pollution in pursuit of data-driven milestones and measurable outcomes. The Program funds development and infrastructure projects at the neighborhood level to achieve major environmental, health, and economic benefits in California's most disadvantaged communities.	Grant	Stakeholders must form a Collaborative Stakeholder Structure. May include: community-based organizations, local governments, nonprofit organizations, philanthropic organizations and foundations, faith-based organizations, coalitions or associations of nonprofits, community development finance institutions, community development corporations, joint powers authorities, tribal governments.	Anticipate solicitation in fall 2019	TBD	Prop 84	TBD	TBD	California Department of Conservation Division of Land Resource Protection (916) 324-0868 https://www.conservation.ca.gov/dlrp/grant-programs/Pages/Transformative-Climate-Communities-Program.aspx Contact: Virginia Jameson Strategic Growth Council (916) 322-2318 http://sgc.ca.gov/programs/tcc/
Watershed Coordinator Grants	The principal goal of the Watershed Coordinator Program is to improve watershed health by providing support for local, collaborative watershed improvement efforts. The Forest Health Watershed Coordinator Grant Program aims to restore health and resilience to forests at the watershed scale for multiple benefits, including water quality	Grant	Eligible applicants are local entities as follows: (1) special districts; (2) nonprofit groups (tax exempt 501(c)(3)); (3) local governments; and (4) tribal governments, located within one of the two watershed coordinator zones. The program is not open to federal or state agencies. The applicant's proposal must be located within one of the watershed coordinator zones and must demonstrate collaboration with relevant federal, state, and local agencies, as well as other stakeholder groups (e.g., California Native American tribes, non-governmental organizations, and community members). However, the proposal must designate a single, eligible entity as the primary applicant.	Applications due February 15, 2019; awards anticipated March 1, 2019	\$1.89 million; Eight (8) grants of up to \$235,000 each	California Environmental License Plate Fund	\$1.89 million; Eight (8) grants of up to \$235,000 each	Anticipate awarding \$1.89m	California Department of Conservation Division of Land Resource Protection (916) 323-4943 https://www.conservation.ca.gov/dlrp/grant-programs/watershed Contact: Bruce Gwynne
California Energy Commission									
Geothermal Resources Development Account (GRDA)	The funds from this account come from revenues paid by geothermal developers for leases on federal land in California. Practically all aspects of geothermal research, resource development, demonstration, commercialization, planning, environmental enhancement and impact mitigation are eligible for funding.	Grant	Private entities, including individuals and private for-profit organizations; local jurisdictions including cities, counties, school districts and special districts, regional planning agencies, and public utility districts; EXCEPTION: any public utility that generates more than 50MW of electricity for sale is not eligible to apply.	Solicitations are generally offered every 2 to 3 years. The next full solicitation is anticipated in late 2018. The most recent solicitation was offered in October 2016, with a Notice of Proposed Awards issued in March 2017.	There is no maximum or minimum award level established. Awards vary according to the application requests and the amount of funds available during a specific solicitation.	Public Resources Code section 3800 et seq. created the Geothermal Resources Development Account (GRDA) .	\$2.28 million	\$0	www.energy.ca.gov/contracts/geothermal.html Contact: Elisabeth de Jong elisabeth.dejong@energy.ca.gov 916-654-4878

Program Name	Program Summary	Type	Who is Eligible to Apply	Application Cycle Begins	Max/ Min Award Amounts	Funding Source	How much funding is left to award in total?	How much \$ might be awarded in the next 6 months?	Contact Information
Electric Program Investment Charge (EPIC)	The Energy Commission is one of four administrators of energy innovation funded by the Electric Program Investment Charge. The other administrators are the state's three largest investor-owned utilities: Pacific Gas and Electric Company, San Diego Gas & Electric Company, and Southern California Edison Company. The Electric Program Investment Charge was created to fund public interest investments in clean energy technologies and approaches for the benefit of electricity ratepayers of California's three largest electric investor-owned utilities.	Grant	Private and public entities, educational facilities, research organizations, national laboratories.	A solicitation schedule has been posted on the Energy Commission Research page, and solicitations are continuously released throughout the year.	Funding will vary, but project funding levels are expected to range between \$250,000 and \$5 million.	The California Public Utilities Commission established the purposes and governance for the Electric Program Investment Charge in Decision 12-05-037 for Rulemaking 11-10-003 on May 24, 2012.	Approximately \$133.2 million per year	Approximately \$78 million from Jan-June 2019.	http://www.energy.ca.gov/research/epic/ Contact: Linda Spiegel Linda.Spiegel@energy.ca.gov 916-327-1472
Low Carbon Fuel Research and Development Program	Budget Act of 2016, authorized the Energy Commission to implement a Low Carbon Fuel Research and Development Program to support the advancement of low-carbon drop-in fuels production derived from California's biomass feedstock that can be produced to be fully compatible with existing infrastructure and vehicle technologies. The program initiated competitive awards to support RD&D projects focused in key areas that assists the State in meeting its petroleum reduction goals.	Grant	Public entities, educational facilities, private entities, research organizations, national laboratories.	Applications for the traditional grant funding opportunity were accepted in early 2017. Application cycle started August 2016 and ended October 2017. This is a one-time funding authority, and future opportunities are TBD.	Project funding levels range from \$600,000 to \$5,700,000	General Fund from Budget Act of 2016	None. All funding was awarded by February 2018.	None. All funding was awarded by February 2018.	http://www.energy.ca.gov/contracts/other_research.html Contact: Aleecia Gutierrez Aleecia.Gutierrez@energy.ca.gov 916-327-1409
Greenhouse Gas Reduction Fund (GGRF) Food Production Investment Program (FPIP)	The program focuses on accelerating the adoption of advanced energy efficiency and renewable energy technologies at California food processing plants, demonstrate their reliability and effectiveness and help California food processors achieve a low-carbon future. The grants provide partial funding for: Tier I: commercially available, energy efficient equipment that are drop-in replacements or additions to current systems that result in greater GHG emission reductions than standard equipment, and Tier II: cutting edge technologies that are emerging and not widely used in California but have been proven elsewhere to reduce GHG emissions.	Grant	California food processing facilities defined by North American Industry Classification System (NAICS) Codes 311 or 3121	A grant solicitation was released 6/29/18 (http://www.energy.ca.gov/contracts/other_research.html#GFO-18-901). Applications are due August 31, 2018. Additional periodic solicitations could be released in the future pending funds available.	Project funding levels range from \$100,000 to \$8,000,000, depending on the tier.	GGRF (CA Climate Investments)	FY 17-18 \$57 million FY 18-19 \$60 million	Approximately \$57 million from Jan-June 2019.	http://www.energy.ca.gov/research/epic/ Contact: Linda Spiegel Linda.Spiegel@energy.ca.gov 916-327-1472
Public Interest Energy Research (PIER) - Natural Gas Funding	The funds are collected from natural gas ratepayers of California Investor Owned Utilities. These funds are administered by the California Energy Commission to provide public interest natural gas research programs. The Energy Commission's PIER program supports energy related research, development and demonstration for research not adequately provided by competitive and regulated markets and that will advance science and technology and will help meet California's energy policy goals.	Grant	Private and public entities, educational facilities, research organizations, national laboratories.	A solicitation schedule has been posted on the Energy Commission Research page, and solicitations are continuously released throughout the year.	Varies depending on solicitation. Recent solicitations have accepted awards up to \$2 million.	SB 1250 (Perata) Chapter 512, Statutes of 2006. Annual funding approved by CPUC, and funds are transferred from CPUC Gas Consumption Surcharge Fund	Approximately \$21 million per year	Approximately \$23 million from Jan-Jun 2019.	http://www.energy.ca.gov/research/epic/ Contact: Linda Spiegel Linda.Spiegel@energy.ca.gov 916-327-1472

Program Name	Program Summary	Type	Who is Eligible to Apply	Application Cycle Begins	Max/ Min Award Amounts	Funding Source	How much funding is left to award in total?	How much \$ might be awarded in the next 6 months?	Contact Information
Alternative and Renewable Fuel and Vehicle Technology Program (ARFVTP)	Assembly Bill 118, (Nunez, Chapter 750, Statutes of 2007), amended by Assembly Bill 109 (Nunez, Chapter 313, Statutes of 2008), and Assembly Bill 8 (Perea, Chapter 401, Statutes of 2013) created the ARFVT Program which provides approximately \$100 million annually to promote innovative transportation technologies that increase the use of alternative and renewable fuels, advancing California's efforts to curb greenhouse gas emissions, reduce petroleum use, improve air quality, and stimulate sustainable production and use of biofuels in California.	Grant	Vehicle and technology entities, businesses, public-private partnerships, fleet owners, consumers, academic institutions, and public agencies	Various times through each fiscal year	Varies by each solicitation	Alternative and Renewable Fuel and Vehicle Technology Fund	As of December 2018, approximately \$200 million is available.	Approximately \$57 million	http://www.energy.ca.gov/contracts/transportation.html Contact: John P. Butler II John.Butler@energy.ca.gov 916-654-4424
Low Carbon Fuel Production and Supply (Greenhouse Gas Reduction Funds)	California's 2018-19 State Budget Act appropriated \$12.5 million in Greenhouse Gas Reduction Funds to the California Energy Commission to fund Low-Carbon Fuel Production and Supply Projects within California.	Grant	Public and private entities.	TBD	TBD	Greenhouse Gas Reduction Fund	\$12.5 million	None.	http://www.energy.ca.gov/contracts/transportation.html Contact: Joji Castillo joji.castillo@energy.ca.gov 916-653-6471
School Bus Replacement Program and Supporting Fueling Infrastructure	Senate Bill 110 (SB 110), Chapter 55, Statutes of 2017 allocates up to \$75 million to public school districts and county offices of education (COE) for grants to replace the oldest school buses. The program is emphasizing new electric school buses as the preferred replacement type and compressed natural gas (CNG) school buses if justified. Additional funding is being provided by the Alternative and Renewable Fuel and Vehicle Technology Program to provide supporting fueling infrastructure for electric buses awarded and to provide funding for CNG school buses and supporting CNG fueling infrastructure.	Grant	Public School Districts, County Offices of Education and Joint Power Authorities within California	Application period was closed on September 20, 2018	TBD. Maximum of 10 buses replaced per applicant.	Clean Energy Job Creation Fund (Prop 39)	\$75 million	\$75 million	http://www.energy.ca.gov/transportation/schoolbus/index.html Contact: Elizabeth Shirakh elizabeth.shirakh@energy.ca.gov 916-654-4089
Energy Conservation Assistance Act (ECAA) Low Interest Loans (1%)	Funds are available for low-interest loans for energy efficiency and renewable energy generation projects to local jurisdictions, public care institutions, public hospitals, public colleges (except community college districts), and special districts. This is a continuously appropriated, revolving loan program. Funds are made readily available under the solicitation as they become available through loan repayments and interest earnings or any new funding.	Loan	The Energy Commission accepts loan applications on a first-come, first-served basis. Local jurisdictions, special districts, public care institutions, and public hospitals, public colleges are eligible to apply.	Ongoing	The maximum loan amount is \$3 million per application. There is no minimum loan amount.	Energy Conservation Assistance Act (ECAA) repayment funds and interest earnings.	Ongoing ECAA program: Funding availability fluctuates and recommend contacting us to identify current amount of funding available.	Loan repayments of approximately \$3M each in June and December of every fiscal year. Loan repayments for FY 17/18 have already been added to fund. Loan repayments for FY 18/19 will be considered in December 2018.	http://www.energy.ca.gov/efficiency/financing/index.html Contact: Deborah Godfrey deborah.godfrey@energy.ca.gov 916-654-4404
Energy Conservation Assistance Act - Education Subaccount (ECAA-Ed) No Interest Loans (0%)	Funds are available for no-interest loans for energy efficiency and renewable energy generation projects to school districts, charter schools, county offices of education, and state special schools. This is a continuously appropriated, revolving loan programs and funds are made available through the California Clean Energy Jobs Act (Proposition 39) and loan repayments and interest earnings.	Loan	The Energy Commission will accept loan applications on a competitive basis beginning FY 2018-19.. School districts, charter schools, county offices of education, and state special schools designated to receive Proposition 39 award funds are eligible to apply.	Ongoing	The maximum loan amount is \$3 million per application. There is no minimum loan amount.	Clean Energy Job Creation Fund (Proposition 39), repayment funds and interest earnings.	Ongoing ECAA program: Funding availability fluctuates and amount available is identified in PON.	For FY 2018/19, the funding available through the first competitive ECAA-Ed PON is \$36M.	http://www.energy.ca.gov/efficiency/financing/index.html Contact: Deborah Godfrey deborah.godfrey@energy.ca.gov 916-654-4044

California Department of Fire and Forestry Protection									
Fire Prevention -- California Climate Investments	Through the California Climate Investments (CCI) Fire Prevention Grant Program, CAL FIRE aims to reduce the risk of wildland fires to habitable structures and communities, while maximizing carbon sequestration in healthy wildland habitat and minimizing the uncontrolled release of emissions emitted by wildfires.	Grant	Local government, fire districts, community services districts, water districts, and special districts with SRA within their jurisdiction, certified local conservation corps, fire safe councils, or other 501c3 nonprofit organizations.	18-19: Opened October 17, 2018. Proposals due December 19, 2018 at 3PM PST 19-20: Solicitation is expected Summer/Fall 2019	TBD	California Climate Investments (CCI) - Greenhouse Gas Reduction Funds	18-19: Up to \$155 million, shared with the Forest Health and Forest Legacy grant programs. 19-20: TBD	18-19: Up to \$155 million, shared with the Forest Health and Forest Legacy grant programs.	http://calfire.ca.gov/fire_prevention/firepreventiongrants Contact: Scott Witt FPGrants@fire.ca.gov
Forest Legacy Program (FLP)	The purpose of the Forest Legacy Program is to protect environmentally important forest land threatened with conversion to non-forest uses. Protection of forest through this program ensures California's forests continue to provide such benefits as sustainable timber production, wildlife habitat, recreation opportunities, watershed protection and open space. Intact forests also contribute significantly to the storage of carbon, and protection helps to avoid conversion to non-forest uses that would result in greenhouse gas emissions.	Grant	Landowners of working forest and rangelands, where the property is managed for the production of forest products and traditional forest uses are maintained.	State program: 18-19: October 1, 2018. Proposals due January 29, 2019 at 3PM PST 19-20: Solicitation is expected Summer/Fall 2019 Federal program: Applications are due date by 4:00 PM on June 30 of each year.	TBD	State program: California Climate Investments (CCI) - Greenhouse Gas Reduction Funds Federal program: Land and Water Conservation Fund	18-19: Up to \$155 million, shared with the Forest Health and Fire Prevention grant programs. 19-20: TBD Federal program: TBD. The federal grant is renewed each year.	18-19: Up to \$155 million, shared with the Forest Health and Fire Prevention grant programs.	http://calfire.ca.gov/resource_mgt/resource_mgt_forestryassistance_legacy Contact: Stewart McMorrow ForestLegacy@fire.ca.gov Refer to Forest Health Grant Guidelines for more information on State program: http://www.fire.ca.gov/resource_mgt/resource_mgt_foresthealth_grants
California Forest Improvement Program (CFIP)	California Forest Improvement Program (CFIP) program encourages private and public investment in, and improved management of, California forest lands and resources. This focus of CFIP is to ensure adequate high quality timber supplies, related employment and other economic benefits, and the protection, maintenance, and enhancement of a productive and stable forest resource system for the benefit of present and future generations. Cost-shared activities include management planning, site preparation, tree purchase and planting, timber stand improvement, fish and wildlife habitat improvement, and land conservation practices.	Grant (cost share) with landowners responsible for 10% to 25% of the cost of the project.	Private and public ownerships containing 20 to 5,000 acres of forest land.	Ongoing	N/A	Timber Regulation and Forest Restoration Fund (TRFRF), High Speed Rail Authority (HSR), Federal Funds, California Climate Investments (CCI) - Greenhouse Gas Reduction Funds	\$1.5 million	\$1.5 million	http://calfire.ca.gov/resource_mgt/resource_mgt_forestryassistance_cfip.php Contact: Dale Meese Dale.Meese@fire.ca.gov
Urban and Community Forestry-- California Climate Investments	The CAL FIRE Urban and Community Forestry Program works to optimize the benefits of trees and related vegetation through multiple-objective projects as specified in the California Urban Forestry Act of 1978.	Grant	Census-defined urban areas, cities, counties, districts, 501(c)(3) nonprofits.	18-19: Applications were due November 29, 2018 19-20: Solicitation is expected Summer/Fall 2019	\$150,000-\$1.5 million	California Climate Investments (CCI) - Greenhouse Gas Reduction Funds & Prop 68	CCI Program: \$3.5 million 19-20: TBD Prop 68: \$13,555,000	CCI Program: \$3.5 million Prop 68: \$13,555,000	http://calfire.ca.gov/resource_mgt/resource_mgt_urbanforestry_grants Robert Little Robert.Little@fire.ca.gov
Forest Health -- California Climate Investments	Through the Forest Health Grant Program, CAL FIRE funds and implements projects to proactively restore forest health in order to reduce greenhouse gases, to protect upper watersheds where the state's water supply originates, to promote the long-term storage of carbon in forest trees and soils, to minimize the loss of forest carbon from large wildfires, and to further the goals of the California Global Warming Solutions Act of 2006.	Grant	Local, state, and federal agencies including federal land management agencies, state land management agencies, Native American tribes, private forest landowners, resource conservation districts, fire safe councils, land trusts, landowner organizations, conservation groups, and non-profit organizations are eligible to apply.	State program: 18-19: October 1, 2018. Proposals due January 29, 2019 at 3PM PST 19-20: Solicitation is expected Summer/Fall 2019	Minimum should be no less than \$250,000. No maximum award.	California Climate Investments (CCI) - Greenhouse Gas Reduction Funds	18-19: Up to \$155 million, shared with the Fire Prevention and Forest Legacy grant programs. 19-20: TBD	18-19: Up to \$155 million, shared with the Fire Prevention and Forest Legacy grant programs.	http://www.fire.ca.gov/resource_mgt/resource_mgt_foresthealth_grants Kristen Merrill ForestHealth@fire.ca.gov

Forest Health Research -- California Climate Investments	The intent of the Forest Health Research Program is to identify outstanding scientific and management questions, prioritize research needs, and fund sound scientific studies that support knowledge and decision making for forest landowners, resource agencies, and fire management organizations in California, and to further the goals of the California Forest Carbon Plan, California Climate Investments, and AB 32 Global Warming Solutions Act.	Grant	Academic institutions, including faculty, staff, and graduate students; Local, state, and federal agencies including federal, state and local land management agencies; Native American tribes; private forest landowners; resource conservation districts; fire safe councils; land trusts; landowner organizations; conservation groups; and non-profit organizations.	October 1, 2018. Proposals due January 29, 2019 at 3PM PST 19-20: Solicitation is expected Summer/Fall 2019	N/A	California Climate Investments (CCI) - Greenhouse Gas Reduction Funds	18-19: Up to \$2.5 million 19-20: TBD	18-19: Up to \$2.5 million	http://www.fire.ca.gov/resource_mgt/resource_mgt_foresthealth_grants Tadashi Moody Tadashi.Moody@fire.ca.gov Refer to Forest Health Grant Guidelines for more information on State program: http://www.fire.ca.gov/resource_mgt/resource_mgt_foresthealth_grants
Volunteer Fire Assistance (VFA)	The VFA grant program provides federal financial assistance to volunteer fire departments to equip and train departments in rural areas and rural communities to prevent and suppress fires.	Grant (cost share) with applicants responsible for 50% of the project cost	A single or area fire department, a single county or town, or a single community serving a rural area.	February 2019	Minimum award \$500; Maximum award \$20,000	Federal	Amount is subject to annual federal grant funds received. Historically has been approximately \$1 million.	Amount is subject to annual federal grant funds received. Historically has been approximately \$1 million.	http://calfire.ca.gov/fire_protection/fire_protection_coop_efforts.php Contact: Megan Esfandiary Megan.Esfandiary@fire.ca.gov
California Department of Fish and Wildlife									
Fisheries Restoration Grants Program	The Program supports grants restoring anadromous salmon and steelhead habitat in coastal streams and watersheds from San Diego to Del Norte counties. Grants target projects that will directly contribute to the restoration and recovery of salmon and steelhead trout. The program supports a wide array of project types, including riparian and stream restoration, sediment reduction, fish passage improvement, technical and public education, water conservation and organizational support.	Grant	Public agencies, Native American tribes, and nonprofit organizations	Applications accepted in February of each year.	None	Federal grant funds (Pacific Coast Salmon Recovery Fund) and state funds (Steelhead Report and Restoration Card Program, Commercial Salmon Stamp Program, Timber Regulation and Forest Restoration Fund)	Amount of funds available each year depends on federal grant funds received and state funds available. Funds are awarded in a competitive proposal process.	Funds are awarded approximately 12 months after proposals are received, following review, ranking, and director approval.	https://www.wildlife.ca.gov/Grants/FRGP Contact: Tim Chorey FRGP@Wildlife.ca.gov
Proposition 1 Watershed Restoration Grant Program	The Water Quality, Supply, and Infrastructure Improvement Act of 2014 (Proposition 1) provides funding to implement the three broad objectives of the California Water Action Plan: more reliable water supplies, the restoration of important species and habitat, and a more resilient, sustainably managed water resources system (e.g., water supply, water quality, flood protection, environment) that can better withstand inevitable and unforeseen pressures in the coming decades. The Watershed Restoration Grant Program funds water quality, river, and watershed protection and restoration projects of statewide importance outside of the Delta.	Grant	California public agencies (including public California universities), nonprofit organizations registered in California, public utilities, federally recognized Indian tribes, State Indian tribes listed on the Native American Heritage Commission's California Tribal Consultation List, and mutual water companies (California Water Code §79712[a])	Proposal Solicitation Notice released annually. Fiscal year 2019-2020 Solicitation released November 5, 2018.	None	Proposition 1	Approximately \$122.9 million	Up to \$24 million for fiscal year 2019-2020	https://www.wildlife.ca.gov/Conservation/Watersheds/Restoration-Grants Matt Wells (916) 445-1285 WatershedGrants@wildlife.ca.gov
Proposition 1 Delta Water Quality and Ecosystem Restoration Grant Program	The Water Quality, Supply, and Infrastructure Improvement Act of 2014 (Proposition 1) provides funding to implement the three broad objectives of the California Water Action Plan: more reliable water supplies, the restoration of important species and habitat, and a more resilient, sustainably managed water resources system (e.g., water supply, water quality, flood protection, environment) that can better withstand inevitable and unforeseen pressures in the coming decades. The Delta Water Quality and Ecosystem Restoration Grant Program funds projects that benefit the Delta.	Grant	California public agencies (including public California universities), nonprofit organizations registered in California, public utilities, federally recognized Indian tribes, State Indian tribes listed on the Native American Heritage Commission's California Tribal Consultation List, and mutual water companies (California Water Code §79712[a])	Proposal Solicitation Notice released annually. Fiscal Year 2019-2020 Solicitation released November 5, 2018.	None	Proposition 1	Approximately \$36 million	Up to \$7 million for fiscal year 2019-2020.	https://www.wildlife.ca.gov/Conservation/Watersheds/Restoration-Grants Matt Wells (916) 445-1285 WatershedGrants@wildlife.ca.gov

Proposition 68 Habitat Restoration and Protection	The California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018 (Proposition 68) provides funding to restore rivers and streams in support of fisheries and wildlife, including, but not limited to, reconnection of rivers with their flood plains, riparian and side-channel habitat restoration and restoration and protection of upper watershed forests and meadow systems that are important for fish and wildlife resources. At least \$5 million shall be available for restoration projects in the Klamath-Trinity watershed for the benefit of salmon and steelhead.	Grant	Public agencies, recognized Native American tribes, and nonprofit organizations.	Proposal Solicitation Notice for Fiscal Year 2018-2019 Solicitation released November 5, 2018.	None	Proposition 68	Approximately \$20.6 million	Up to \$8.8 million for Fiscal Year 2018-19.	Matt Wells (916) 445-1285 WatershedGrants@wildlife.ca.gov
Proposition 68 Southern California Steelhead Habitat	The California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018 (Proposition 68) provides funding for projects that restore Southern California Steelhead habitat consistent with the Department of Fish and Wildlife's Steelhead Restoration and Management Plan and the National Marine Fisheries Service's Southern California Steelhead Recovery Plan. Projects that remove significant barriers to steelhead migration and include other habitat restoration and associated infrastructure improvements shall be the highest priority.	Grant	Public agencies, recognized Native American tribes, and nonprofit organizations.	Proposal Solicitation Notice for Fiscal Year 2018-2019 Solicitation released November 5, 2018.	None	Proposition 68	Approximately \$24.7 million	Up to \$8.8 million for Fiscal Year 2018-19.	Matt Wells (916) 445-1285 WatershedGrants@wildlife.ca.gov
Proposition 68 Improve Conditions for Fish and Wildlife	The California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018 (Proposition 68) provides funding for projects that improve conditions for fish and wildlife in streams, rivers, wildlife refuges, wetland habitat areas, and estuaries. Eligible projects include acquisition of water and land that includes water rights or contractual rights to water, short- or long-term water transfers or leases, provision of water for fish and wildlife, or improvement of aquatic or riparian habitat conditions. In implementing this section, the Department of Fish and Wildlife may also provide grants under the Fisheries Restoration Grant Program with priority given to coastal waters.	Grant	Public agencies, recognized Native American tribes, and nonprofit organizations.	Proposal Solicitation Notice for Fiscal Year 2018-2019 Solicitation released November 5, 2018.	None	Proposition 68	Approximately \$24.7 million	Up to \$4.4 million for Fiscal Year 2018-19.	Matt Wells (916) 445-1285 WatershedGrants@wildlife.ca.gov
Wetlands Restoration for Greenhouse Gas Reduction Grant Program	This program supports projects that provide greenhouse gas benefits while providing co-benefits such as enhancing fish and wildlife habitat, protecting and improving water quality and quantity, and helping California adapt to climate change. The program is focused on GHG emission reduction through restoration or enhancement of Delta and coastal wetlands and mountain meadow habitat.	Grant	Public agencies, recognized Native American tribes, and nonprofit organizations.	Fiscal year 2017-2018 Solicitation released June 18, 2018.	None	Greenhouse Gas Reduction Fund	Approximately \$12.75 million	Approximately \$12.75 million	https://www.wildlife.ca.gov/Conservation/Watersheds/Greenhouse-Gas-Reduction-Grants Matt Wells (916) 445-1285 WatershedGrants@wildlife.ca.gov
Cannabis Restoration Grant Program	This program supports implementation projects that restore habitat in watersheds most heavily impacted by cannabis cultivation and that comply with program criteria. The program covers a limited area of geographic focus within Northern California coastal watersheds.	Grant	Public agencies (including public universities); nonprofit organizations; and California Native American tribes, as that term is defined in Public Resources Code Section 21073.	Fiscal year 2017-2018, solicitation released June 5, 2017. Awarded \$1.3 million	None	Timber Regulation and Forest Restoration Fund	TBD	TBD	https://www.wildlife.ca.gov/Conservation/Watersheds/Cannabis-Restoration-Grant Matt Wells (916) 445-1285 WatershedGrants@wildlife.ca.gov
NCCP Local Assistance Grant (LAG) Program	The NCCP Local Assistance Grant (LAG) Program provides state funds for urgent tasks associated with the implementation of approved NCCPs or NCCPs anticipated to be approved within 12 months of grant application.	Grant	NCCP-implementing entities, public agencies, tribes, and non-profit organizations	Late summer	Varies (total available is \$576,000)	California Department of Fish & Wildlife	\$576,000	None. Application and awards for 2018-19 are closed.	https://wildlife.ca.gov/Conservation/Planning/NCCP/Grants Sara Kern (916) 651-1192 Sara.Kern@wildlife.ca.gov

Endangered Species Conservation and Recovery Habitat Conservation Land Acquisition Grant Program (Nontraditional Section 6)	The Endangered Species Habitat Conservation Plan Land Acquisition (HCPLA) Grant Program provides funding to States and Territories for the acquisition of threatened and endangered species habitat in support of approved HCPs. Grants do not fund any mitigation required of an HCP permittee, but are instead intended to support land purchases that complement actions associated with HCP.	Grant	The Endangered Species Habitat Conservation Plan Land Acquisition (HCPLA) Grant Program provides funding to states and territories for the acquisition of threatened and endangered species habitat in support of approved HCPs or HCP/NCCPs.	Dependent on USFWS Notice of Availability each year for Section 6 funds, generally in November/December.	Varies - none at this time	Cooperative Endangered Species Conservation Fund (CESCF)	Varies by year depending on federal allocation. Projects within USFWS Region 8 (CA, NV, Southern OR) compete for funds. Region 8 averages about \$2 million.	Unknown at this time	https://wildlife.ca.gov/Conservation/Planning/NCCP/Grants Sara Kern (916) 651-1192 Sara.Kern@wildlife.ca.gov
Endangered Species Conservation and Recovery Habitat Conservation Planning Assistance Grant Program (Nontraditional Section 6)	The Endangered Species Habitat Conservation Planning Assistance (HCPA) Grant Program provides funding to states and territories for tasks necessary in the planning phase of an HCP, such as baseline surveys and inventories, preparation of planning and environmental documents, and outreach.	Grant	HCPs or HCP/NCCPs in the planning stages only	Dependent on USFWS Notice of Availability each year for Section 6 funds, generally in November/December.	Varies - none at this time	Cooperative Endangered Species Conservation Fund (CESCF)	Unknown at this time	Unknown at this time	https://wildlife.ca.gov/Conservation/Planning/NCCP/Grants Sara Kern (916) 651-1192 Sara.Kern@wildlife.ca.gov
Endangered Species Conservation and Recovery Land Acquisition Grant Program (Nontraditional Section 6)	The Recovery Land Acquisition (RLA) grant program is coordinated by the California Department of Fish and Wildlife and administered by the United States Fish and Wildlife Service to fund projects that preserve threatened and endangered species habitat in areas identified in approved or draft species recovery plans. There is a 25% match funding requirement. Applicants must provide a minimum of 25% of the grant award value in matching non-federal funds or in-kind services.	Grant	State and local government agencies; institutions of higher education, including public, private, state colleges and universities; 501(c)(3) nonprofit organizations; Native American tribal organizations.	Dependent on USFWS Notice of Availability each year for Section 6 funds, generally in November/December.	None	Federal Cooperative Endangered Species Conservation Fund (CESCF) (Section 6 of the Endangered Species Act). Administered by USFWS.	Varies by year depending on federal allocation. Projects within USFWS Region 8 (CA, NV, Southern OR) compete for funds. Region 8 averages about \$2 million.	2017 allocation was \$1.98 million	www.wildlife.ca.gov/Grants/Land-Acquisition Contact: Dan Applebee Daniel.Applebee@Wildlife.ca.gov (916) 323-1575
Endangered Species Conservation and Recovery Grant Program (Traditional Section 6)	Through this program the California Department of Fish and Wildlife, in cooperation with the United States Fish and Wildlife Service, directs funds to implement conservation projects for wildlife species listed as threatened, endangered, candidate, or recently recovered species under the federal endangered species act (ESA) on non-federal lands. Funded activities include habitat restoration, species status surveys, public education and outreach, captive propagation and reintroduction, nesting surveys, genetic studies, and development of management plans. There is a 25% match funding requirement. Applicants must provide a minimum of 25% of the grant award value in matching non-federal funds or in-kind services.	Grant	State and local government agencies; institutions of higher education, including public, private, state colleges and universities; 501(c)(3) nonprofit organizations; Native American tribal organizations.	Annually. CDFW solicits applications each fall.	None	Federal Cooperative Endangered Species Conservation Fund (CESCF) (Section 6 of the Endangered Species Act). Administered by US Fish and Wildlife Service.	Varies by year depending on federal allocation. In recent years \$1.5 to \$2.8 million has been available.	2018 allocation was \$2.5 million	www.dfg.ca.gov/wildlife/grants/tradsec6/ Contact: Dan Applebee Daniel.Applebee@Wildlife.ca.gov (916) 323-1575
State Wildlife Grants (SWG)	The State Wildlife Grant Program provides federal grant funds to states for the development and implementation of programs for the benefit of wildlife and their habitat, including species that are not hunted or fished. The program funds conservation actions for the wildlife species of greatest conservation need identified in California's State Wildlife Action Plan.	Grant	State and local government agencies; institutions of higher education, including public, private, state colleges and universities; 501(c)(3) nonprofit organizations; Native American tribal organizations.	Annually. CDFW solicits applications each fall.	None	U.S. Fish and Wildlife Service State Wildlife Grant Fund.	Varies by year depending on federal allocation. In recent years \$1.5 to \$2.5 million has been available.	2018 allocation was approximately \$2.5 million	www.wildlife.ca.gov/Grants/State-Wildlife-Grants Contact: Erin Chappell Erin.Chappell@Wildlife.ca.gov (916) 445-3685
Big Game Management Account (BGMA) Grant Program	To promote programs and projects beneficial to big-game species in California.	Grant	Nonprofit organizations	Call for proposals in February; final recommendations to Big Game Management Account Committee & Executive team in April; final awards announced by May 1.	None	Fish and Game Preservation Fund, Big Game Management Account (FGC Section 3953)	Approximately \$500,000 remaining after PSN review	TBD	www.dfg.ca.gov/wildlife/biggame/ Contact: Kari Lewis kari.lewis@wildlife.ca.gov 916-445-3789

Upland Game Bird (UGB) Account Grant Program	To promote programs and projects beneficial to upland game bird species in California.	Grant	Nonprofit organizations	Call for proposals in February; final recommendations to Big Game Management Committee & Executive team in April; final awards announced by May 1.	None	The Upland Board Account established within the Fish and Game Preservation Fund (FGC Section 3684)	None	up to \$350,000 for FY 2017/18	www.dfg.ca.gov/wildlife/grants/ugma/ Contact: Kari Lewis kari.lewis@wildlife.ca.gov 916-445-3789
California State Duck Stamp Project Grant Program	To promote projects beneficial to California's waterfowl species.	Grant	Nonprofit organizations	Call for proposals in November; final awards at June Fish and Game Code meeting.	None	Duck Stamp Account (FGC Section 3702)	None	up to \$1.5 Million for FY 2018/19	www.wildlife.ca.gov/wildlife/grants/duckstamp/ Contact: Melanie Weaver melanie.weaver@wildlife.ca.gov 916-445-3717
Response Equipment Grant Program (REGP)	The Response Equipment Grant Program (REGP) is administered by the California Department of Fish and Wildlife's Office of Spill Prevention and Response. The objective of this grant program is to award grants to any local government, tribes, cities, counties, fire departments and port districts, within or immediately adjacent to waters of the state, to pre-position (pre-stage) oil spill response equipment to protect their local communities and economic resources.	Grant	Local public agencies or tribes in the State of California, including cities, counties, tribal nations, fire departments, port districts, public utility districts, and emergency management departments.	Ongoing	Maximum award \$35,000	Oil Response Trust Fund, which receives funding per Section 8670.34 of the Government Code.	\$350,000	Awarded in next 6 months: \$350,000. Future grants are based on available funding.	www.wildlife.ca.gov/OSPR/Response/Response-Equipment-Grants Contact: Cindy Murphy Cindy.Murphy@wildlife.ca.gov (916) 324-6250
California Oil Spill Study and Evaluation Program (COSSEP)	The California Oil Spill Study and Evaluation Program (COSSEP) provides a mechanism for investigating, evaluating, and improving applied Oil Spill Prevention and Response (OSPR) programs, best achievable technologies, and our knowledge of the adverse effects of oil spills in the marine environment. The goals of COSSEP are authorized in the Government Code § 8670.12. The program also supports scientific and technical studies that will enhance oiled wildlife rehabilitation and the department's natural resource damage assessments.	Contracts	Any person or entity that qualifies to contract with the State of California may be awarded funding to perform work for COSSEP	Likely in Spring of 2019.	Up to \$100,000.	Oil Spill Prevention and Administration Fund (Fund 0320)	Next funding cycle likely to be FY 19/20	Up to \$100,000	www.wildlife.ca.gov/OSPR/Science/SSEP Contact: Bryand Duke bryand.duke@wildlife.ca.gov (916) 323-6288
Environmental Enhancement Fund (EEF)	The Environmental Enhancement Fund (EEF) grant program is administered by the California Department of Fish and Wildlife's Office of Spill Prevention and Response. The objective of this grant program is to award grants to nonprofit organizations, cities, counties, cities and counties, districts, state agencies, and departments; and, to the extent permitted by federal law, to federal agencies to support environmental enhancement projects located within or immediately adjacent to waters of the state. An enhancement project is a project that acquires habitat for preservation, or improves habitat quality and ecosystem function above baseline conditions, and that meets all of the following requirements: Is located within or immediately adjacent to waters of the state, as defined in California Government Code (Section 8670.3); Has measurable outcomes within a predetermined timeframe; Is designed to acquire, restore, or improve habitat or restore ecosystem function, or both, to benefit fish and wildlife.	Grant	Nonprofit organizations, cities, counties, cities and counties, districts, state agencies, and departments; and, to the extent permitted by federal law, federal agencies	Applications are not currently being accepted. The next solicitation for proposals is planned in May 2018.	\$600,000 total (estimated)	The Environmental Enhancement Fund, which receives penalty funds per Section 8670.70 of the Government Code.	Approximately \$600,000	\$0	www.wildlife.ca.gov/OSPR/Science/Environmental-Enhancement-Fund/About Contact: Daniel Orr daniel.orr@wildlife.ca.gov (916) 445-4325

California State Parks									
DBW Local Assistance Quagga and Zebra Mussel Infestation Prevention Grant Program	DBW's Quagga and Zebra Mussel Infestation Prevention Grant Program (QZ Grant Program) provides funding for two tiers/two types of projects: 1) Planning and Assessment projects; and 2) Implementation projects. Examples of projects include: developing Prevention Plans, purchasing pressure washers/decontamination units, inspection programs including staffing, materials and supplies. DBW coordinates and collaborates with the California Department of Fish and Wildlife on many aspects of this program.	Grant	Eligible applicants are owners or managers of reservoirs that: 1) permit recreational activities; 2) are open to the public; and 3) are currently un-infested with the quagga or zebra (dreissenid) mussel.	February 2019 - March 2019	Grants for Tier 1: Planning and Assessment projects, maximum amount is \$200,000; Tier 2: Implementation projects, maximum amount: \$400,000	Funding originates from a fee which is a supplemental cost to the biennial boater registration collected through the DMV. Guiding statutes and regulations: Harbors & Navigation Code Sec. 675-677; Fish & Game Code Sec. 2302; Vehicle Code Sec. 9853, 9860, & 9863; & California Code of Regulations title 14, Sec. 5200-5307.	Annual Program - \$3.75 million is available each fiscal year.	\$3.75 million is the available funding for 2018/2019 grants	www.dbw.ca.gov/QZGrant Contact: Cara Roderick Cara.Roderick@parks.ca.gov 916-327-1849
DBW Local Assistance Floating Restroom Grant Program	The Floating Restroom Grant Program provides floating restroom units to lakes and reservoirs across California. The Division of Boating and Waterways (DBW) procures, delivers, and grants the DBW-designed and developed specialized floating restroom to the recipient. The grant recipient then places the floating restrooms at on-water locations convenient to boaters and maintains the units for a minimum of 10 years. The Clean Vessel Act grant program also offers maintenance and rehabilitation funds for the floating restrooms.	Grant	Local, State, and Federal governmental entities that operate inland lakes or reservoirs.	Around August each year, check DBW's website for exact dates	Average grant for a floating restroom is approximately \$74,000	Combination of Harbors and Watercraft Revolving Fund and Federal Clean Vessel Act funds	Annual Program - Future funding is dependent on Federal and State appropriations.	Funding for FY 2018/19 is \$900,000	www.dbw.ca.gov/Funding/Pumpout.aspx Contact: Lisa Fernandes Lisa.Fernandes@parks.ca.gov 916-327-1819
National Boating Infrastructure Grant Program, administered by DBW	The Boating Infrastructure Grant program is designed to provide transient dockage for recreational boats 26 feet or more in length for recreational opportunities and safe harbors, as well as: 1. enhance access to recreational, historic, cultural and scenic resources; 2. strengthen community ties to the water's edge and economic benefits; 3. promote public/private partnerships and entrepreneurial opportunities; 4. provide continuity of public access to the shore; and 5. promote awareness of transient boating opportunities.	Grant	Local government agencies and private businesses	Around August each year, check DBW's website for exact dates	Tier I, up to \$200,000. Tier II, up to \$1.5 million	Federal Sport Fish Restoration and Boating Trust Fund.	Annual Program - Future funding is dependent on Federal appropriations.	Funding for FFY18 is yet to be determined.	http://www.dbw.ca.gov/Funding/BIG.aspx Contact: Lisa Fernandes Lisa.Fernandes@parks.ca.gov 916-327-1819
DBW Local Assistance, Statewide Ramp Repair and Modification Grant Program	The Statewide Ramp Repair and Modification Grant Program provides grant funding to public agencies to make minor repairs or necessary expansions to boat ramps at public boat launching facilities. The intent of this program is to quickly restore safe and convenient public boating access by correcting public health and safety issues found at boat launching facilities or by widening or extending existing boat ramps as needed at DBW-funded launching facilities. Typical grant-funded items include repairing or replacing boat ramps, boarding floats, restroom and parking facilities and repairing erosion and other damage resulting from winter storms, accidents, and wildfires, etc.	Grant	Local government agencies including cities, counties, the federal government, recreation districts, irrigation districts, and tax districts, among others.	Applications accepted on a continuous basis. Application deadline for FY 2019/20 is Feb 1, 2019	Maximum available is \$1.5 million statewide.	Harbors and Watercraft Revolving Fund	Annual Program - Future funding is dependent on State appropriations.	FY 2018/19 budget appropriation was \$1.5 million.	http://www.dbw.ca.gov/Funding/ Contact: Joe Dux Joe.Dux@parks.ca.gov 916-327-1816

Program Name	Program Summary	Type	Who is Eligible to Apply	Application Cycle Begins	Max/ Min Award Amounts	Funding Source	How much funding is left to award in total?	How much \$ might be awarded in the next 6 months?	Contact Information
DBW Local Assistance Boat Launching Facility Grant Program	In accordance with Section 72.5 of the Harbors and Navigation Code, Boat Launching Facility (BLF) grants are provided to local government agencies for the construction or improvement of boat launching ramps, restrooms, boarding floats, shore protection, parking for vehicles and boat trailers, utilities, landscaping, irrigation, and ancillary items. Also included in the grant are monies to pay for engineering, construction inspection, permits from regulatory agencies, special studies, contract advertising, construction contingency, and other project related costs. The primary purpose of the grant is to provide and improve access to California's waterways by the recreational boating public using trailer able watercraft.	Grant	Local government agencies, including cities and counties; federal government; recreation districts; irrigation districts; and tax districts, among others.	Applications accepted on a continuous basis. Application deadline for FY 2019/20 is Feb 1, 2019	No minimum or maximum.	Harbors and Watercraft Revolving Fund	Annual Program - Future funding is dependent on State appropriations.	FY 2018/19 budget appropriation was \$7.12 million	http://www.dbw.ca.gov/Funding/Facilities.aspx#BLFG Contact: Joe Dux Joe.Dux@parks.ca.gov 916-327-1816
DBW Local Assistance, Statewide Non-Motorized Boat Launching Facility Grant Program	The Statewide Non-Motorized Boat Launching Facility Grant Program provides funding to create or improve public non-motorized boating access. Typical grant-funded items include the construction of small, hand-launched boat ramps, small parking lots and restrooms.	Grant	Local government agencies including cities and counties; federal government; recreation districts; irrigation districts; and tax districts, among others.	Applications accepted on a continuous basis. Application deadline for FY 2019/20 is Feb 1, 2019	Maximum available is \$2 million statewide. Typical grants are between \$50,000 and \$500,000 depending on the project	Harbors and Watercraft Revolving Fund	Annual Program - Future funding is dependent on State appropriations.	FY 2018/19 budget appropriation is \$2 million	http://www.dbw.ca.gov/Funding/ Contact: Joe Dux Joe.Dux@parks.ca.gov 916-327-1816
DBW Local Assistance, Statewide Sign Grant Program	The Statewide Sign Grant Program installs and replaces signs for previously funded Boating and Waterways projects that are either obsolete, display incorrect information, are badly worn and unattractive, are missing or damaged, are needed for safety, or are required as a condition of receiving federal funds.	Grant	Local government agencies including cities and counties; federal government; recreation districts; irrigation districts; and tax districts, among others.	Applications accepted on a continuous basis	Typical grants are from \$1,000 - \$10,000 depending on the project	Harbors and Watercraft Revolving Fund	Annual Program - Future funding is dependent on State appropriations.	FY 2018/19 budget appropriation is \$150,000	http://www.dbw.ca.gov/Funding/ Contact: Keren Dill Keren.Dill@parks.ca.gov 916-327-1809
DBW Private Small Craft Harbor Loan Program	In accordance with Article 5 of the Harbors and Navigation Code, the Private Small Craft Harbor Loan Program provides loans to private marina owners to develop or improve privately owned boating facilities that are open to the public. Project features that can be funded include boat berthing, breakwater construction, construction dredging, harbormaster buildings, fuel docks, boat sewage pump-out facilities, restrooms and utilities.	Loan	Private Business	Applications accepted on a continuous basis. Application deadline for FY 2019/20 is Feb 1, 2019	No minimum, no maximum.	Harbors and Watercraft Revolving Fund	Annual Program - Future funding is dependent on State appropriations.	FY 2018/19 budget appropriation is \$5 million	http://www.dbw.ca.gov/Funding/Facilities.aspx#BLFG Contact: Joe Dux Joe.Dux@parks.ca.gov 916-327-1816
DBW Local Assistance Public Small Craft Harbor Loan Program	In accordance with Section 71.4 of the Harbors and Navigation Code, the Local Assistance Public Small Craft Harbor Loan Program provides loans to local government agencies for the construction of new small craft harbors or for the expansion or improvement of existing marina facilities.	Loan	Local government agencies, including cities and counties; federal government; recreation districts; irrigation districts; and tax districts, among others.	Applications accepted on a continuous basis. Application deadline for FY 2019/20 is Feb 1, 2019	No minimum, no maximum.	Harbors and Watercraft Revolving Fund	Annual Program - Future funding is dependent on State appropriations	FY 2018/19 budget appropriation is \$0	http://www.dbw.ca.gov/Funding/Facilities.aspx#BLFG Contact: Joe Dux Joe.Dux@parks.ca.gov 916-327-1816
DBW Beach Erosion Control and Public Beach Restoration Programs	Sections 65 through 67.3 of the Harbors and Navigation Code authorize the Division to study erosion problems; act as shore protection advisor to all agencies of government; and plan, design and construct protective works when funds are provided by the Legislature. The Rivers and Harbors Act of 1962, as amended, allows DBW to participate in beach erosion control projects undertaken by the U.S. Army Corps of Engineers. Generally speaking, the Beach Erosion Control program funds projects that provide a hard structure solution (seawalls, revetment, etc.) to resisting erosive wave forces. The Public Beach Restoration program funds beach nourishment projects to restore or widen beaches that will reduce wave energy and run-up, thereby reducing the erosive power of ocean waves.	Grant	Local government agencies.	Applications due February 1 for consideration in the FY20/21 State budget	No minimum or maximum	Harbors and Watercraft Revolving Fund and the Public Beach Restoration Fund	Annual Program - Future funding is dependent on State appropriations.	FY 2017/18 budget appropriation was \$2.595 million	Contact: Casey Caldwell casey.caldwell@parks.ca.gov 916-327-1787

Land and Water Conservation Fund Program	The LWCF is a state-administered local assistance program of the National Park Service. Under the provisions of the California Outdoor Recreation Resources Plan Act of 1967, the expenditure of funds allocated to California is administered by the Department of Parks and Recreation. Within the Department, LWCF is administered by the Office of Grants and Local Services (OGALS). Projects under this program may include acquisition or development of outdoor recreation areas and facilities. Property acquired or developed under the program must be retained in perpetuity for public outdoor recreation use.	Grant	Counties, cities, recreation and park districts, state agencies, special districts with authority to acquire, develop, operate, and maintain public park and recreation areas.	Next cycle will be in 2020	\$3 million maximum.	National Park Service (Federal) - Federal Trust Fund	Annual Program	Approximately \$7 million	http://www.parks.ca.gov/default.asp?Page_id=21360 Contact: Richard Rendon richard.rendon@parks.ca.gov 916-651-7600

Program Name	Program Summary	Type	Who is Eligible to Apply	Application Cycle Begins	Max/ Min Award Amounts	Funding Source	How much funding is left to award in total?	How much \$ might be awarded in the next 6 months?	Contact Information
Recreational Trails Program	The RTP is a state-administered local assistance program of the U.S. Department of Transportation's Federal Highway Administration (FHWA). California splits the Non-Motorized RTP apportionment for administration between the California Department of Parks and Recreation's Office of Grants and Local Services (OGALS), and by CALTRANS through the Active Transportation Program (ATP). For CALTRANS ATP updates, visit: http://www.dot.ca.gov/hq/LocalPrograms/atp/ Motorized Projects are administered by the Off-Highway Motor Vehicle Recreation Division (OHMVR). The RTP provides funds to the States to develop and maintain recreational trails and trails-related facilities for motorized and non motorized recreational trail uses.	Grant	Cities, counties, districts, state agencies, federal agencies, and nonprofit organizations with management responsibilities over public lands	RTP non-motorized: OGALS: Next application will be in 2020. RTP motorized: OHV: Next cycle may be 2019, dependent on approval of new regulations and Federal Fiscal Year 2019 apportionment.	No minimum or maximum	Fixing America's Surface Transportation Act (FAST-ACT)	Annual Program	Approximately \$3.4 million for the entire program.	Non-Motorized http://www.parks.ca.gov/?page_id=24324 Contact: Richard Rendon richard.rendon@parks.ca.gov 916-651-7600 For CALTRANS ATP updates, visit: http://www.dot.ca.gov/hq/LocalPrograms/atp Motorized http://ohv.parks.ca.gov Contact: Jessica Terry jessica.terry@parks.ca.gov 916-319-8540
Regional Park Program	The program will fund projects that create, expand, or renovate parks and park facilities, including, but not limited to, trails, regional trail networks, regional sports complexes, low-cost accommodations in park facilities, and visitor, outdoor, and interpretive facilities.	Grant	Regional park districts, counties, and regional open-space districts, open-space authorities formed pursuant to Division 26 (commencing with Section 35100), joint powers authorities, and eligible nonprofit organizations	TBD based on future state budget appropriation.	Maximum and minimum grant amounts to be determined through public hearing process.	California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018 (Proposition 68).	\$23,125,000	\$0	www.parks.ca.gov/rpp Contact: Viktor.Patino@parks.ca.gov
Rural Recreation, Tourism and Economic Enrichment Investment Program	The program will fund projects that provide new recreational opportunities in rural communities that have demonstrated deficiencies and lack of outdoor infrastructure in support of economic and health-related goals.	Grant	Cities, counties and districts in nonurbanized areas.	TBD based on future state budget appropriation.	Maximum and minimum grant amounts to be determined through public hearing process.	California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018 (Proposition 68).	\$23,125,000	\$0	www.parks.ca.gov/rrt Contact: Viktor.Patino@parks.ca.gov
Revenue Enhancement Payment Program	Funds will be awarded proportionally based on populations served, to local agencies that have obtained voter approval between November 1, 2012, through November 30, 2018, inclusive, for revenue enhancement measures aimed at improving and enhancing local or regional park infrastructure.	Grant	Eligible local agencies	TBD	Minimum award is \$250,000	California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018 (Proposition 68).	\$37 million	\$0	www.parks.ca.gov/grants Contact: Lee.Butterfield@parks.ca.gov
Statewide Park Development and Community Revitalization Program (SPP)	SPP will fund acquisition and development construction projects to create new parks and new recreation opportunities in underserved communities across California.	Grant	Cities, Counties, Districts as defined, Joint Powers Authorities, Non Profit Organizations	\$254,942,000 currently available for summer 2019 application submittals. Due Date TBD. Next cycles will be determined by state budgets.	Maximum of \$8.5 million per application and minimum of \$200,000 is proposed.	California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018 (Proposition 68).	\$254,942,000 available for 2019 round. Up to \$395,333,000 in future rounds determined by state budgets minus up to 5% for Community Access Program (CAP).	\$0 in next 6 months. \$254,942,000 may be awarded by end of 2019 calendar year.	www.parks.ca.gov/spp Contact: Viktor.Patino@parks.ca.gov
"Community Access Program" (activity grants)	This program will provide funding for activities and transportation that give community residents new access to outdoor recreation areas and programs per Public Resources Code §80008(c)(1)).	Grant	Cities, Counties, Districts as defined, Joint Powers Authorities, Non Profit Organizations (as defined by SPP)	TBD. Program will be developed through public comment process.	Maximum and minimum grant amounts to be determined through public comment process.	California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018 (Proposition 68).	Up to 5% of the SPP program may fund Community Access Program grants instead of acquisition and development construction projects.	\$0. Program Application Guide will be developed through public comment process in 2019.	www.parks.ca.gov/cap Contact: Viktor.Patino@parks.ca.gov

OHV Grants Program	The program provides for well managed OHV Recreation by providing financial assistance to eligible agencies and organizations that develop, maintain, operate, expand, support, or contribute to well-managed, high-quality, OHV Recreation areas, roads, and trails, and to responsibly maintain the wildlife, soils, and habitat of Project Areas in a manner that will sustain long-term OHV Recreation in accordance with the legislative provisions and intent of the Act commencing at PRC Section 5090.01. Grants are available for Operations and Maintenance, Restoration, Law Enforcement, and Education and Safety.	Grant and Cooperative Agreements	Cities, counties, districts, state agencies, federal agencies, certified community conservation corps, state & federally recognized Native American tribes, educational institutions, and non-profit organizations.	On an annual basis, the application period begins the second Monday of January and extends through the first Monday of March.	\$200,000 - \$1.5 million max depending on the category, with the exception of restoration grants which have no maximum. Minimum award \$10,000.	OHV Trust Fund	\$30 million	\$30 million	http://ohv.parks.ca.gov Contact: Jessica Terry jessica.terry@parks.ca.gov 916-319-8540
California Water Commission									
Water Storage Investment Program	Proposition 1 continuously appropriated \$2.7 billion to the California Water Commission (Commission) for investments in the public benefits of specific water storage projects. The Commission will fund the public benefits of these projects through the Water Storage Investment Program. Eligible projects must provide public benefits - ecosystem improvement, water quality improvement, flood control, emergency response, recreation - and provide measurable benefits to the Delta ecosystem or its tributaries. At least 50% of funded public benefits must be ecosystem benefits.	Grant	Public agencies, nonprofit organizations, public utilities, federally recognized Native American tribes, state Native American tribes listed on the Native American Heritage Commission's California Tribal Consultation List, and mutual water companies.	Applications were due August 2017; the Commission does not anticipate conducting another round of funding.	The maximum award cannot exceed 50% of the project's capital cost. The maximum award must be at least 50% ecosystem benefits. There is no minimum.	Proposition 1	\$2.6 billion	The Commission made maximum conditional eligibility determinations (MCEs) in July 2018. Applicants must complete various statutory and regulatory requirements (CEQA, permits, non-state funding) to schedule a final award hearing.	https://cwc.ca.gov/Water-Storage Contact: Jennifer Ruffolo Jennifer.Ruffolo@water.ca.gov
California Department of Water Resources									
Flood Corridor Program	This statewide program funds multi-objective, flood risk reduction projects that protect and restore floodplains and preserve or enhance wildlife habitat and agriculture. The program funds primarily non-structural projects, including acquiring and conserving floodplains, removing structures and precluding development in flood prone areas, and constructing earthen detention basins, along with restoring habitat and protecting agricultural land. Setback levees are also included when they enable a more naturally functioning floodplain. The Flood Corridor Program includes three flood protection grant programs: • Flood Protection Corridor Program (Props 13 and 84); • Floodway Corridor Program (Prop 1E); and • Central Valley Nonstructural Grants Program (Prop 1E).	Grant	Local public agencies (county, city, district or joint powers authority), nonprofit organizations, California Native American Tribes registered as a nonprofit organization or partner of a nonprofit or local public agency. Also, direct expenditure funding to other government agencies (local, state, or federal), nonprofit organizations, or contractors for projects proposed by DWR that are in the State's interest to fulfill program goals.	No further competitive solicitations anticipated. Direct funding may be used to utilize the remaining funding.	Maximum - \$5 million (which may be increased with Director's approval if necessary to achieve the goals of the program). No minimum.	Propositions 13, 84, and 1E	\$0	No further competitive solicitations anticipated. Direct funding may be used to utilize the remaining funding.	https://www.water.ca.gov/Work-With-Us/Grants-And-Loans/Flood-Corridor-Program Contact: Mary Guerin Mary.Guerin@water.ca.gov 818-549-2331

Flood Control Subventions Program (FCSP)	Implementation of federally-authorized, locally-led, flood control projects (minor or major) and Watershed Protection Flood Prevention Projects.	Funds (Claims Reimb.)	Local public agencies with federal projects that are not part of the State Plan of Flood Control.	Projects are typically approved by the State Legislature and specifically cited in the Water Code. Claim submittals accepted on a continuous basis and are paid generally first come, first served, based on available of State funding.	Projects receive reimbursement of State cost-share as approved by the Legislature for the specific project.	Props 84 and 1E	>\$170 million	No further competitive solicitations anticipated.	https://www.water.ca.gov/Work-With-Us/Grants-And-Loans/Flood-Control-Subventions-Program Contact: Patrick Luzuriaga Patrick.Luzuriaga@water.ca.gov 916-574-0932
Water Desalination Grant Program	The Program's purpose is to help increase water supplies by providing funding to local agencies for the planning, design, and construction of municipal water facilities requiring the removal of salt to render brackish or ocean quality water sources safe to drink. It also provides matching funds for desalination design or research pilot projects. The program is based on at least 50 percent local funding match for all project types with exception for disadvantaged communities.	Grant	Public agencies including local and State government agencies, public utilities, mutual water companies, federally recognized Indian Tribes, State Indian Tribes on the Native American Heritage Commission's consultation list, and non-profit organizations. Universities and colleges incorporated as public institutions or non-profit organizations may also apply.	Ongoing	Up to \$10 million per grant, depending on project type.	Proposition 1, Chapter 9, Section 79765. Proposition 50, Chapter 6, Section 79545(a)	Original Solicitation ~ \$93.1 million. Remaining funds of ~ \$40 million available for additional applications.	Funds available: first ready, first award until funds are exhausted.	https://www.water.ca.gov/Work-With-Us/Grants-And-Loans/Desalination-Grant-Program Contact: Rich Mills richard.mills@water.ca.gov 916-651-0715
Safe Drinking Water - Contaminant Removal Technologies - <u>Pilot and Demonstration Projects</u>	Contaminant treatment or removal technology pilot and demonstration studies.	Grant	Eligible applicants are public water systems under the regulatory jurisdiction of SWRCB.	Ongoing	Up to \$5 million per grant	Proposition 50 (Chapter 6 Section 79545(b))	\$5 million available	\$3 million	Contact: Steve Giambrone Steven.Giambrone@water.ca.gov 916-653-9722
Safe Drinking Water - Contaminant Removal Technologies - <u>Ultraviolet and Ozone Treatment</u>	Drinking water disinfecting projects using UV technology and ozone treatment.	Grant	Eligible applicants are public water systems under the regulatory jurisdiction of SWRCB.	Ongoing	Up to \$5 million per grant	Proposition 50 (Chapter 6 Section 79545(c))	\$5 million remaining. (25% of funds will be allocated to disadvantaged communities).	\$2 million	Contact: Steve Giambrone Steven.Giambrone@water.ca.gov 916-653-9722
San Joaquin River Water Quality Grant Program	Funded projects must reduce or eliminate discharges of subsurface agricultural drain water from the west side of the San Joaquin Valley for the purpose of improving water quality in the San Joaquin River and the Delta.	Grant	Local agencies, including, but not limited to, city, county, city and county, special district, joint powers authority (can include Federally recognized tribes), political subdivision, public utility, or a mutual water company. Other entities may collaborate with a local agency to apply for the grant.	Draft guidelines/PSP released August 7, 2015. Final guidelines/PSP released December 16, 2015. Last day for applications was March 4, 2016.	No limit	Proposition 84 Section 75029(a)	None. All funding was awarded in Summer 2018.	No further competitive solicitations anticipated.	https://www.water.ca.gov/Work-With-Us/Grants-And-Loans/AgDrainage-84 Contact: Kristin Willet Kristin.Willet@water.ca.gov 559-230-3327
Small Community Flood Risk Reduction (SCFRR)	Projects to reduce flood risk in small communities in the Central Valley. Funds for feasibility studies, design, and construction of proactive repairs to flood control facilities of the State Plan of Flood Control (SPFC).	Grant Funds	Local Agencies with Land Use Authority (cities/counties): Phase 1 Feasibility Study funding included evaluating SPFC facilities that protect small communities in the Central Valley designated by the CVFPP to have a High or Moderate-High Flood Risk. Phase 2 will fund prioritized (phase 1) projects to continue to design and implementation.	SCFRR Phase 1 application cycle completed in 2016 and (35 projects) approved award list was published in April 2017. Phase 2 PSP date to be confirmed.	\$500,000 per Small Community for the Phase 1; 50% cost share for costs above \$500,000. Next awards will depend on fund availability and State determined flood risk reduction priorities for prioritized communities (at 50% State cost-share).	Prop 1E	Phase 2 - Design and Implementation: Approximately \$27 million.	The next solicitations plan will be for Phase 2 Design and Implementation, date to be confirmed.	https://www.water.ca.gov/Work-With-Us/Grants-And-Loans/Small-Communities-Flood-Risk-Reduction Contact: Nahideh Madandar Nahideh.Madankar@water.ca.gov 916-574-1459

Water Use Efficiency Grants Program Agricultural Water Conservation	The Water Use Efficiency Grants Program provides financial assistance in the form of grants to implement promising water use efficiency projects throughout the State, including: urban and agricultural implementation projects that result in water savings and other benefits to the state; technical assistance, training, education, and public outreach; and planning, feasibility studies, research and development and pilot projects.	Grant	Entities involved with water management, including public agencies, nonprofit organizations, public utilities, federally recognized Indian tribes or state Indian tribes on California's Tribal Consultation List, mutual water companies, investor owned utilities regulated by the CPUC	Final Guidelines and PSP released in January 2016. Application period closed on March 30, 2016.	\$3 million cap for implementation projects. \$300,000 cap for other projects.	Prop 1	\$0	No further competitive solicitations anticipated.	https://www.water.ca.gov/Work-With-Us/Grants-And-Loans/Agriculture-Water-Use-Efficiency Contact: Fethi Benjema wuegrants@water.ca.gov
Water Use Efficiency CalConserve Revolving Fund Loan Program	The CalConserve Water Use Efficiency Revolving Fund provides loans to local agencies to provide low interest loans to customers for water use efficiency upgrades and for onsite improvements to repair or replace leaking pipes. Loan recipient agencies would offer customer low-interest or no interest on-bill financing. On-bill financing would remove first cost barriers to efficiency upgrades.	Loan	Local Agencies: any city, county, city and county, municipal utility district, community services district, sanitary district, sanitation district, water district as defined in Section 20200, public water system as defined in Section 116275 of the Health and Safety Code, or private water company under the jurisdiction of the Public Utilities Commission.	After an initial \$3 million loan award in December 2016, the solicitation was reopened on a first-come, first-served basis. Applications will be accepted on a continuous basis as long as funds are available.	\$5 million total for water use efficiency upgrades (\$2 million left). \$5 million total for leak detection and repairs (\$5 million left). A loan cap of \$3 million per agency.	Prop 1	\$7 million	Loan awards on a continuous first-come, first-served basis as long as funds are available.	https://www.water.ca.gov/Work-With-Us/Grants-And-Loans/CalConserve-Water-Use-Efficiency-Loan-Program Contact: Fethi Benjema wuegrants@water.ca.gov
DWR Agricultural Water Use Efficiency Grants & CDFA State Water Efficiency and Enhancement Program Joint Pilot Proposition 1, Chapter 7 (DWR) and Greenhouse Gas Reduction Fund (CDFA)	DWR and CDFA intend to demonstrate the potential multiple benefits of conveyance enhancements combined with on-farm agricultural water use efficiency improvements and greenhouse gas reductions.	Grant	Agricultural water suppliers and their customers (farmers) applying jointly.	Final RFP released on January 17, 2017. Application period closed on April 21, 2017.	\$6 million available; \$3 million per ag water supplier) \$3 million Greenhouse Gas Reduction Fund/ CDFA (up to \$200,000 per farm operation) Joint application process	Prop 1 and Greenhouse Gas Reduction Fund	\$0	Final funding awards made in September 2017. Solicitation closed.	https://www.water.ca.gov/Work-With-Us/Grants-And-Loans/Agriculture-Water-Use-Efficiency-CDFA-DWR Contact: Marty Berbach agwue@water.ca.gov
Sustainable Groundwater Planning (SGWP) Grant Program	The Sustainable Groundwater Planning (SGWP) Grant Program provides funds for projects consistent with groundwater planning requirements outlined in Division 6 of the California Water Code, commencing at Section 10000.	Grant	Public agencies, non-profit organizations, public utilities, federally recognized Indian tribes, state Indian tribes listed on the Native American Heritage Commission's Tribal Consultation list, and mutual water companies.	Round 1 grant solicitation: On March 18, 2016, DWR awarded \$6.7 million in grant funds to 21 counties with Stressed Basins. Round 2 grant solicitation: On March 28, 2018, DWR awarded \$85.8 million in grant funds to 78 proposals for Groundwater Sustainability Plans and Projects.	Maximum grant amounts are documented in the Proposal Solicitation Packages.	Proposition 1 (Chapter 10, Section 79774)	\$500,000	None	https://www.water.ca.gov/Work-With-Us/Grants-And-Loans/Sustainable-Groundwater Contact: Zaffar Eusuff Muzaffar.Eusuff@water.ca.gov 916-651-9266
Integrated Regional Water Management (IRWM) Prop 1	The IRWM Prop 1 grant program provides funds for development and revisions of IRWM Plans, and implementation of projects in IRWM Plans. Goals of the program include:(a) help water infrastructure systems adapt to climate change, including, but not limited to, sea level rise, (b) provide incentives for water agencies throughout each watershed to collaborate in managing the region's water resources and setting regional priorities for water infrastructure, and (c) improve regional water self-reliance consistent with Section 85021.	Grant	Public agencies, non-profit organizations, public utilities, federally recognized Indian tribes, state Indian tribes listed on the Native American Heritage Commission's Tribal Consultation list, and mutual water companies.	Public hearings on draft guidelines/PSP occurred in November 2018. Approximately \$403 million to be awarded in 2 rounds, starting in 2019.	Maximum grant amounts are documented in the Proposal Solicitation Packages.	Proposition 1 (Chapter 7, Section 79740)	\$403 million for implementation grants, with not less than \$51 million awarded to projects that directly benefit disadvantaged communities.	None	https://www.water.ca.gov/Work-With-Us/Grants-And-Loans/IRWM-Grant-Programs Contact: Zaffar Eusuff Muzaffar.Eusuff@water.ca.gov 916-651-9266

Program Name	Program Summary	Type	Who is Eligible to Apply	Application Cycle Begins	Max/ Min Award Amounts	Funding Source	How much funding is left to award in total?	How much \$ might be awarded in the next 6 months?	Contact Information
Sustainable Groundwater Implementation Grant Program	Competitive grants to support implementation of local and regional groundwater projects required to support sustainable groundwater management.	Grant		Draft Guidelines/PSP anticipated Spring 2020. Solicitation opens Fall 2020		Proposition 68 (Chapter 11.6, Section 80146(a))	\$120 million		Contact: Zaffar Eusuff Muzaffar.Eusuff@water.ca.gov 916-651-9266
Sustainable Groundwater Planning Grant Program	Competitive grants for sustainable groundwater planning.	Grant		Draft Guidelines/PSP anticipated Spring 2019. Solicitation opens Summer 2019.		Proposition 68 (Chapter 11.6, Section 80146(b))	\$50 million		Contact: Zaffar Eusuff Muzaffar.Eusuff@water.ca.gov 916-651-9266
Central Valley Tributaries Program	To help fund flood management projects that enhance water quality and ecosystems of rivers and streams tributary to the Sacramento-San Joaquin Delta. See Guidelines for eligibility criteria.	Grant	Local agencies, others. See Guidelines for eligibility criteria.	Final Guidelines to be released Dec 2018	Proposition 1 bond funding allocation, no cost ceiling, awards determined on a case-by-case basis.	Proposition 1 (Chapter 11, Section 79780)	Up to \$36 million. Additional future funding may be available.	Up to \$36 million.	https://www.water.ca.gov/Work-With-Us/Grants-And-Loans/Central-Valley-Tributaries-Program Patrick Luzuriaga (916) 574-0932
Urban Streams Restoration Program	The Urban Streams Restoration Program provides funding for local communities for projects to reduce flooding and erosion and associated property damages; restore, enhance, or protect the natural ecological values of streams; and promote community involvement, education, and stewardship.	Grant	Requires a Sponsor and Co-sponsor including one Public Agency and one Local/non-profit/citizens group.	Draft PSP tentative release December 2018. Application submittal and review Spring 2019.	Proposition 68 was recently passed and includes \$7.6 million for the Urban Streams Program Local Assistance PSP. \$1 million award cap per project.	Prop 68	\$0.00	Draft guidelines anticipated in December 2018.	https://www.water.ca.gov/Work-With-Us/Grants-And-Loans/Urban-Streams Marc Commandatore (916) 651-9630
Save Our Water Rebates - Institutional and Residential Turf Replacement	One-time \$2/square foot rebate for turf removed and replaced with a minimum of 25% coverage of drought-tolerant plants. The maximum turf rebate is \$2,000. The Institutional Turf Replacement Program was \$1,000,000 contractual reimbursement program with the CCC that replaced turf with water efficient landscaping for approved applicants. The contract with the CCC ends June 30, 2018.	Rebate / Contractual Reimbursement Program	Residential - Limited to a direct-to-customer rebate program. Institutional - Non-profit and local government agencies in disadvantaged communities of the San Joaquin Valley.	On-line applications are available The institutional turf removal application process has ended.	\$2000 per household for the residential program Up to \$20,000 for institutional turf removal projects.	Proposition 1, Chapter 7	\$3 million remaining funds available for residential turf replacement and \$60,000 remaining for institutional turf removal.	Residential - Rebates accepted on a first-come, first-served basis. Interested applicants submit applications ASAP. Approx. \$1.9 million remains for residential rebates. Institutional - No additional applications are being accepted. Funds are fully allocated.	http://saveourwaterrebates.com/ Dave Todd (916) 651-7027 https://www.water.ca.gov/Work-With-Us/Grants-And-Loans/Turf-Replacement Betsy Vail 916-651-9667
Flood Emergency Response Grants Program: Forecast-Coordinated Operations Grant	The objective of the Flood Emergency Response Grant is to improve local flood emergency response in California and contribute to increased public safety. Examples of eligible projects for this specific grant include: • Enhance real-time data collection with new stream and weather measurement stations • Improve data sharing, management systems, and associated IT infrastructure • Develop reservoir simulation models and decision support tools • Conduct annual exercises and training to improve operational response • Develop procedures to share information and coordinate operations	Grant	Reservoir operators that participate in the Forecast-Coordinated Operations Program	Ongoing (for directed funding only)	None	Prop 84 (\$4.5 million) and Prop 1E (\$4.5 million)	Total amount allocated is \$9 million. \$7.5 million has been awarded thus far. Remaining: \$1.4 million which will be awarded through Directed Funding actions	TBD	Contact : Boone Lek Boone.Led@water.ca.gov 916-574-2633

Regional Flood Management Planning	The Regional Flood Management Planning (RFMP) effort seeks to work with local entities engage local stakeholders to collect existing information and data to better define site-specific needs and develop their regional vision for flood management over the next 30 years. The RFMP effort is intended to provide meaningful engagement by the Regional Partners in the Central Valley Flood Protection Plan (CVFPP) and maintain working relationships to develop a common understanding of regional flood issues and priorities. formulate and assess flood management solutions and strategies that reflect the vision, feasibility projects, assess the performance of the projects, and develop a plan that reflects the vision of local entities in reducing flood risks in their region. DWR is has provided providing guidance as well as technical and financial assistance to local agencies to prepare regional flood management plans that formulate and prioritize the proposed projects and strategies in each region. DWR continues to provide funding to engage Regional Partners in the CVFPP planning process. The RFMP goals are: * Encourage regional governance * Promote multibenefit solutions to flood problems * Identify solutions and set regional priorities *Assess costs/benefits of proposed solutions and set financial strategies to implement.	Direct Funding	A California local public agency with responsibility for flood management in the region that is a part of the area protected by the facilities of the SPFC that is willing to participate in, coordinate, and collaborate with other interested parties in the region that are participating in the development of their RFMP.	Ongoing since October 2012	Up to \$15 million	Prop 1E	\$2.4 million	Up to \$2.4 million	http://water.ca.gov/Programs/Flood-Management/Flood-Planning-and-Studies/Central-Valley-Flood-Protection-Plan Contact: Christopher Williams christopher.williams@water.ca.gov 916-574-2375
State Water Resources Control Board									
Water Recycling Funding Program	The Program promotes the beneficial use of treated municipal wastewater (water recycling) in order to augment or offset fresh water supplies in California by providing technical and financial assistance to agencies and other stakeholders in support of water recycling projects and research.	Grants and Loans	<u>Planning:</u> Public Agencies <u>Construction:</u> Public Agencies	<u>Planning:</u> Continuously accepting applications. <u>Construction:</u> Continuously accepting applications. All application documents received by December 31st each year will be used to develop a priority score. Projects which receive a priority score equal to or greater than the yearly fundable list cutoff score will be placed on the fundable list for the upcoming fiscal year.	<u>Planning Grants:</u> 50% of total study costs (\$75,000 max) <u>Construction Grants:</u> 35% of total construction-related costs (\$15 million max) <u>Construction Loans:</u> Low interest loans with up to 30-year term based on credit review	<u>Planning:</u> Proposition 13 <u>Construction:</u> Proposition 13, 1, 68	<u>Planning:</u> Prop 13: Approximately \$18.0 million <u>Construction:</u> Prop 1 & 13 Grant: Approximately \$8.0 million total Prop 1 loan: Approximately \$105.0 million Prop 68 \$74.0 million	<u>Planning:</u> Prop 13 grant: \$0.4 million <u>Construction:</u> Prop 1 & 13 grant: \$0 million Prop 1 loan: \$105.0 million Prop 68 \$0 (no appropriation for 18/19 FY)	http://www.waterboards.ca.gov/water_issues/programs/grants_loans/water_recycling/ Contact: Michael Downey michael.downey@waterboards.ca.gov 916-324-8404
Timber Regulation and Forest Restoration Fund	This Program grants funds for projects that implement forest management measures on forest lands to improve water quality. There is also a focus on implementing management activities that lead to reduction and/or prevention of pollutants that threaten or impair surface and ground waters. Funding has been and may continue to be made available for Post-Fire restoration projects.	Grant	Public agencies, nonprofit organizations, federally recognized tribes	Annual solicitation - typically late summer or early fall	Varies (see yearly solicitation)	Assembly Bill No. 1492 (2012)	\$2.0 million per year	\$2.0 million	https://www.waterboards.ca.gov/water_issues/programs/nps/319grants.html Contact: Jeanie Mascia Jeanie.Mascia@waterboards.ca.gov 916-323-2871

Federal Clean Water Act Section 319h	The Program grants funds to implement watershed-based plans to control nonpoint sources of pollution to restore impaired waterbodies.	Grant	Public agencies, nonprofit organizations, federally recognized tribes	Annual solicitation - typically late summer or early fall	Varies (see yearly solicitation)	CWA 319(h)	Approximately \$4.0 million per year	~\$4.0 million	https://www.waterboards.ca.gov/water_issues/programs/nps/319grants.html Contact: Jeanie Mascia Jeanie.Mascia@waterboards.ca.gov 916-323-2871
Cleanup and Abatement Account	The Program provides grants for the cleanup or abatement of a condition of pollution when there are no viable responsible parties available to undertake the work and for interim solutions for urgent drinking water needs.	Grant, Loans are possible for certain urgent drinking water needs	Cleanup or abatement projects eligible applicants: Public agencies, certain not-for-profit organizations and tribal governments with authority to clean up or abate a waste that serve a disadvantaged community (DAC). For urgent drinking water needs eligible applicants are: public agencies serving DAC, not-for-profit organizations serving DAC, community water systems serving DAC and tribal governments serving DAC.	Continuous	Up to \$500,000 for Division of Financial Assistance Deputy Director approval. Projects more than \$500,000 will require approval from the State Water Board.	Cleanup and Abatement Account (Water Code Sections 13340-13443)	Funding available varies as revenues from fines and penalties are received and projects are approved. Typically approximately \$6.0 million is available annually to fund projects.	TBD, fluctuates based on need	http://www.waterboards.ca.gov/water_issues/programs/grants_loans/caa/ Contact: Kim Hanagan kim.hanagan@waterboards.ca.gov 916-323-0624
Drinking Water for Schools Program	Funding to improve access to, and the quality of, drinking water in public schools.	Grant	Eligible entities are Local Educational Agencies (LEAs) serving kindergarten or any of grades 1-12, inclusive, and preschools and child day care facilities located on public school property. Additionally, all projects must be located at schools within, or serving, a disadvantaged community (DAC)	Solicitation began September 29, 2017	Single School: Minimum: \$25,000 Maximum:\$100,000 Eligible Entities: Minimum:\$25,000 Maximum: \$1.0 million	General Fund	\$9.5 million (2016), and \$6.8 million (2018)	Estimate \$8.6 million	https://www.waterboards.ca.gov/water_issues/programs/grants_loans/schools/ Contact: Kim Hanagan kim.hanagan@waterboards.ca.gov 916-323-0624
Lead Monitoring in Daycare Centers	Program provides financial assistance for drinking water testing for lead at licensed child care centers, and remediation of lead in plumbing and drinking water fixtures.	Grant	TBD	Expected mid to late 2019	TBD	General Fund	\$5.0 million	TBD	Contact: Kim Hanagan kim.hanagan@waterboards.ca.gov 916-323-0624
Household Drinking Water and Wastewater Needs	Provide emergency relief grants to households to fund well replacement, septic system replacement, permanent connections to public systems, well or septic abandonment, and point-of-use and point-of-entry treatment systems.	Grant	Eligible disadvantaged households.	Expected mid to late 2019	TBD	General Fund	\$10.0 million (includes \$750,000 for a pilot program for well and septic repair/replacement for households affected by wildfire and not covered by insurance)	TBD	Contact: Kim Hanagan kim.hanagan@waterboards.ca.gov 916-323-0624
Replacing, Removing, or Upgrading Underground Storage Tanks Program	Program provides grant and loan funds to small business gas station owners to upgrade underground storage tanks to comply with continuing regulatory requirements.	Grants/Loan	Eligible small business gas station owners or operators of project tanks	Continuous	Grant -- \$70,000 Loan -- \$750,000	Petroleum Underground Storage Tank Financing Account (PUSTFA)	Approximately \$54.0 million	Approximately \$11 million	www.waterboards.ca.gov Contact: Janice Clemons Janice.clemons@waterboards.ca.gov 916-341-5657
Emergency, Abandoned & Recalcitrant Account	Program provides funding to the State Regional Water Quality Control Boards and local agencies to initiate corrective action at sites impacted by leaking petroleum underground storage tanks where the site is either abandoned, the responsible party is recalcitrant or there is a need for emergency funding.	Contracts	State Regional Water Boards and local agencies (CUPAS)	Continuous	Maximum award is \$1.0 million per occurrence on or after January 1, 2015, and \$1.5 million before January 1, 2015	Underground Storage Tank Cleanup Fund	\$5.0 million annual funding	TBD	http://www.waterboards.ca.gov Contact: Lola Barba lola.barba@waterboards.ca.gov 916-341-5009

Program Name	Program Summary	Type	Who is Eligible to Apply	Application Cycle Begins	Max/ Min Award Amounts	Funding Source	How much funding is left to award in total?	How much \$ might be awarded in the next 6 months?	Contact Information
Site Cleanup Sub-Account Program	Provides financial assistance to eligible applicants to cleanup surface and groundwater contamination that poses a risk to human health, safety and the environment where the responsible party has no financial resources. Also provides resources for Regional Board staff to provide oversight of surface or groundwater cleanup projects.	Grant and Contract	Grants - no restriction of who is eligible to apply Contract -- Regional Water Boards	Continuous	There is no specific funding limit. However, the annual allotment is approximately \$40.0 million to be divided between Site Cleanup Sub-Account, Replacing, Removing, or Upgrading Underground Storage Tanks Program, and School District Account	Underground Storage Tank Cleanup Fund	\$26.0 million annually	\$22.0 million	http://www.waterboards.ca.gov Contact: Kathryn Dominic Kathryn.Dominic@waterboards.ca.gov 916-449-5591
Clean Water State Revolving Fund Program	The Federal Water Pollution Control Act (Clean Water Act or CWA), as amended in 1987, established the Clean Water State Revolving Fund (CWSRF) program. The CWSRF program offers low interest financing agreements for water quality projects such as construction of publicly-owned facilities and expanded use projects.	Loans and Grants	Eligible applicants for particular project types vary under applicable law, generally, Public agencies, tribal governments, designated and approved management agencies under Section 208 of the Clean Water Act.	Planning and Construction: Continuously accepting applications. All application documents received by December 31st each year will be used to develop a priority score. Projects which receive a priority score equal to or greater than the yearly fundable list cutoff score will be placed on the fundable list for the upcoming fiscal year.	No minimum or maximum per project funding limits. Program has established a yearly \$1.0 billion funding target.	Clean Water State Revolving Fund	The Clean Water State Revolving Fund operates on a cash flow basis and has established a \$1.0 billion annual funding target.	Projects listed on the 2018/2019 Fundable List are being processed for an executed funding agreement by June 30, 2019. Projects that do not receive an executed financing agreement by June 30, 2019 will roll over to the 2019/2020 fundable list.	http://www.waterboards.ca.gov/water_issues/programs/grants_loans/srf/index.shtml Contact: Bob Pontureri robert.pontureri@waterboards.ca.gov 916-341-5828
Seawater Intrusion Control Fund	The Program provides 20-year, low-interest loans for projects directly addressing seawater intrusion control, including associated treatment, storage, pumping, distribution, and injection.	Loan	Construction with planning and design costs eligible retroactively for public agencies.	Continuous	Construction loans: \$2.5 million maximum	Propositions 204, 13	\$12.5 million	TBD	Michael Downey michael.downey@waterboards.ca.gov 916-324-8404
Prop 84 Section 75021	Safe Drinking Water Emergency Funding - Funding to Assist in the Abatement of Public Health Emergencies.	Grant	Permitted Public Water System	Continuous	\$250,000 maximum (\$50,000 maximum for interim water supplies)	Proposition 84	\$1.7 million	\$0.3 million	Kim Hanagan kim.hanagan@waterboards.ca.gov 916-323-0624
Prop 84 Section 75022	Small Community Infrastructure Improvements for Chemical and Nitrate Contaminants	Grant	Permitted, Small Public Water Systems.	Open application cycle is closed. Applications by invitation only.	\$5.0 million max for construction; \$500,000 max for feasibility studies	Proposition 84	\$12.8 million	\$7.8 million	Noel Gordon noel.gordon@waterboards.ca.gov (916) 445-7290
Prop 50 Chapter 4a	Small Community Water System Facilities, Community Water System Monitoring Facilities, Drinking Water Source Protection, and Disinfection Byproduct Treatment Facilities.	Grant	Community Water Systems and Public Water Systems.	Closed	Min: \$5,000 Max: \$2.0 million	Proposition 50	\$4.4 million	\$2.0 million	Brian Kinney brian.kinney@waterboards.ca.gov 916-449-5630
Prop 50 Chapter 4b	Southern California Projects to Reduce Demand on Colorado River.	Grant	Public Water Systems with service area entirely or partly within Southern California counties: San Diego, Imperial, Riverside, Orange, Los Angeles, San Bernardino, Santa Barbara, or Ventura.	Closed	Min: \$50,000 Max: \$20.0 million	Proposition 50	\$1.6 million	TBD	Brian Kinney brian.kinney@waterboards.ca.gov 916-449-5630

Habitat Enhancement and Restoration Program	Consistent with Fish and Game Code section 1301, this program provides assistance for the restoration and enhancement of fish and wildlife resources. Eligible projects include: native fisheries restoration; restoration of wetlands; restoration of coastal, tidal, or fresh water habitat; other native habitat restoration projects including coastal scrub oak, grasslands, and threatened and endangered species habitats; in-stream restoration projects, including removal of fish passage barriers and other obstructions; and other projects that improve the quality of native habitat throughout the State.	Grant	Cities, counties, nonprofit organizations, special districts and state entities	Continuous	None	Propositions 68, 84, 50, 40, 12 and Habitat Conservation Fund	\$105 million under the Propositions. Under HCF receive approximately \$1 million annually for wetland restoration outside the Central Valley until the year 2020.	\$1 million	www.wcb.ca.gov Contact: Scott McFarlin scott.mcfarlin@wildlife.ca.gov 916-323-2281
Land Acquisition Program	Statewide - This program acquires real property or rights in real property on behalf of the Department of Fish and Wildlife (CDFW) and also awards grants to other governmental entities or nonprofit organizations to acquire real property or rights in real property. All acquisitions are made on a "willing seller" basis pursuant to the appraised fair market value. The acquisition activities are carried out in conjunction with CDFW, which generally entails CDFW evaluating the biological values of the property through development of a Land Acquisition Evaluation (LAE, used for a single piece of property) or a Conceptual Area Protection Plan (CAPP, used for multiple properties). Once these evaluations are completed, they are submitted to CDFW's Regional Operations Committee for review and approval. If approved, they are sent to WCB with a recommendation to fund. Concurrently, the WCB meets with CDFW to evaluate and set acquisition priorities as new opportunities arise.	Grant	Cities, counties, nonprofit organizations, special districts and state entities	Continuous	None	Propositions 68, 84, 50, 40, 12, and the Habitat Conservation Fund (HCF)	\$105 million under the Propositions; Under HCF receive approximately \$14.5 million annually for acquisitions until the year 2020.	\$10 million	www.wcb.ca.gov Contact: John Walsh john.walsh@wildlife.ca.gov 916-322-9461
Land Acquisition and Habitat Enhancement and Restoration Program - Salton Sea and Colorado River	Funding for acquisition and habitat restoration projects associated with the Salton Sea and Colorado River region of California.	Grant	Cities, counties, nonprofit organizations, special districts and state entities	Continuous	None	Proposition 50	\$3 million	\$1 million	www.wcb.ca.gov Contact: Don Crocker Don.crocker@wildlife.ca.gov 916-445-0356
Land Acquisition and Habitat Enhancement and Restoration Program - Southern California Coastal Wetlands and Watersheds	Funding for acquisition and habitat restoration projects for protection and restoration of coastal wetland and watersheds within the five southern California coastal counties.	Grant	Cities, counties, nonprofit organizations, special districts and state entities	Continuous	None	Proposition 50	\$19 million	\$2 million	www.wcb.ca.gov Contact: Don Crocker Don.crocker@wildlife.ca.gov 916-445-0356
Land Acquisition and Habitat Enhancement and Restoration Program - San Francisco Bay coastal wetlands and watersheds	Funding for acquisition and habitat restoration projects for protection and restoration of coastal wetland and watersheds within the San Francisco Bay area.	Grant	Cities, counties, nonprofit organizations, special districts and state entities	Continuous	None	Proposition 50	\$3 million	\$1 million	www.wcb.ca.gov Contact: Scott McFarlin scott.mcfarlin@wildlife.ca.gov 916-323-2281
Lower American River Conservation Program	Funding to work cooperatively with local agencies, particularly the County of Sacramento in its role as the American River Parkway Manager, and nonprofit organizations to restore, enhance, interpret, protect and improve public access to the American River Parkway's natural, recreational, educational and cultural resources.	Grant	Local agencies and nonprofit organizations.	2018 applications under review. A new solicitation is expected in summer 2019.	None	Proposition 68	\$10 million	\$0	www.wcb.ca.gov Contact: Cara Allen LARCP@wildlife.ca.gov 916-445-1095

Program Name	Program Summary	Type	Who is Eligible to Apply	Application Cycle Begins	Max/ Min Award Amounts	Funding Source	How much funding is left to award in total?	How much \$ might be awarded in the next 6 months?	Contact Information
Climate Adaptation and Resiliency Program	Funding for climate adaptation and resiliency projects that will result in enduring benefits to wildlife.	Grant	Local governments, park and open space districts, resource conservation districts, private landowners, and nonprofit organizations	Solicitation currently closed. Full proposals were submitted in August 2018.	None	Greenhouse Gas Reduction Fund	\$20 million	\$2 million	www.wcb.ca.gov Contact: Kurt Malchow Kurt.malchow@wildlife.ca.gov 916-445-1079
Sierra Nevada and Cascade Mountains Upper Watersheds Program	Funding for the protection, restoration, and improvement of upper watershed lands in the Sierra Nevada and Cascade Mountains, including forest lands, meadows, wetlands, chaparral, and riparian habitat, in order to protect and improve water supply and water quality, improve forest health, reduce wildfire danger, mitigate the effects of wildfires on water quality and supply, increase flood protection, or to protect or restore riparian or aquatic resources.	Grant	Cities, counties, nonprofit organizations, special districts and state entities	Being discussed for 2019	None	Proposition 68	\$60 million	\$1 million	www.wcb.ca.gov Contact: Scott McFarlin scott.mcfarlin@wildlife.ca.gov 916-323-2281
Monarch Butterfly and Pollinator Rescue Program	Funding for projects to recover and sustain populations of monarch butterflies and other pollinators.	Grant	Cities, counties, nonprofit organizations, special districts and state entities	Continuous	None	General Fund	\$3 million	\$500,000	www.wcb.ca.gov Contact: Scott McFarlin scott.mcfarlin@wildlife.ca.gov 916-323-2281
Land Acquisition Program - Natural Community Conservation Plans (NCCPs)	Funding for acquisition projects to assist with implementation of Natural Community Conservation Plans.	Grant	Cities, counties, nonprofit organizations, special districts and state entities	Continuous	None	Proposition 68, 84 and portions of the approximately \$14.5 million annual appropriation under HCF	\$65 million	\$2 million	www.wcb.ca.gov Contact: John Walsh john.walsh@wildlife.ca.gov 916-322-9461
Natural Heritage Preservation Tax Credit Program	The purpose of the Tax Credit Program is to protect wildlife habitat, parks and open space, archaeological resources, and agricultural land and water by providing state tax credits for donations of qualified land (fee title or conservation easements) and water rights. The program objectives include the fostering of public/private partnerships to resolve land use and water disputes; assisting habitat stewardship; and demonstrating the state's commitment to protect natural resources by rewarding landowners who perceive habitat as an asset rather than a liability.	Tax Credit	Cities, counties, nonprofit organizations, special districts and state entities may apply under the program - landowners eligible for state tax credits may receive the credits.	Continuous	The program requires any reductions to the General Fund resulting from the tax credit be reimbursed by the sponsoring entity. For WCB projects, WCB would use one of its eligible bond funds to reimburse the GF.	Propositions 68, 12, 40, 50 and 84	Most of WCB's remaining bond funds can be used to reimburse the General Fund tax credits taken under this program	\$2 million	www.wcb.ca.gov Contact: John Walsh john.walsh@wildlife.ca.gov 916-322-9461
Public Access Program	This program is designed to provide assistance to local agencies for the development of public access facilities designed to facilitate and encourage the public's access to hunting, fishing or other wildlife-oriented recreation. Financial assistance is available to cities, counties and public districts or corporations for development of facilities such as fishing piers or floats, public access roads, boat launching ramps, trails, boardwalks, interpretive facilities and lake or stream improvements. Support facilities such as restrooms and parking areas are also eligible for funding under this program.	Grant	Cities, counties, nonprofit organizations, special districts and state entities	Annual solicitations. Solicitation for 2018 closed June 29. A new solicitation is expected in 2019.	None	Wildlife Restoration Fund, Propositions 68 and 40	\$12 million	\$1 million	www.wcb.ca.gov Contact: Heather McIntire Heather.McIntire@wildlife.ca.gov 916-445-9728

California Coastal Conservancy									
California Coastal Conservancy Resource and Public Access Program	The State Coastal Conservancy awards grants for projects that meet the statutory authorities contained in Division 21 of the Public Resources Code and that meet objectives of the Conservancy's Strategic Plan. Grants are available for projects that improve public access and outdoor recreation as well as resource protection and enhancement.	Grant/Loan	Public agencies, eligible nonprofit organizations, JPAs, special districts, tribes. Some funds have geographic limitations.	Continuous	None	Propositions 12, 40, 68, 84, Habitat Conservation Fund, and General Fund	Approximately \$150 million	\$40 million	www.scc.ca.gov Contact: Mary Small mary.small@scc.ca.gov 510-286-4181
Explore the Coast Grants	This program seeks to enable and encourage California residents to visit the coast through projects that increase opportunities for people to get to, learn about, and enjoy coastal areas.	Grant	Public agencies, eligible nonprofit organizations, JPAs, special districts, tribes	Spring 2019	Max \$50,000	ELPF and Coastal Access Account	Approximately \$825,000	Approximately \$825,000 each year, awards will be made in August 2019	www.scc.ca.gov Contact: Mary Small mary.small@scc.ca.gov 510-286-4181
Proposition 1 Grants	Competitive grants for multi-benefit ecosystem and watershed protection and restoration projects, consistent with the Purposes detailed in Chapter 6, "Protecting Rivers, Lakes, Streams, Coastal Waters and Watersheds" of Proposition 1. Based on the priority issues within its jurisdictions, reviewing existing state plans, and screening for projects that achieve multiple benefits, serve disadvantaged communities, and result in quantifiable outcomes, the Conservancy identified four priorities for Proposition 1 expenditures: Water Sustainability, Protect and Enhance Anadromous Fish Habitat, Wetland Restoration, and Urban Greening	Grant	Non-federal public agencies, eligible nonprofit organizations, JPAs, special districts, Public utilities, and mutual water companies	winter 2018/19	None	Proposition 1	About \$30 million	\$10-15 million	www.scc.ca.gov Contact: Mary Small mary.small@scc.ca.gov 510-286-4181
Sea Otter Recovery Grants	The State Coastal Conservancy grants funds from the voluntary tax check-off box for sea otter recovery every year that money is made available. Public agencies and nonprofit organizations are eligible to apply for the grants (see application instructions for details). Eligible projects include research, science, protection projects or programs related to the Federal Sea Otter Recovery Plan or improving the nearshore ocean ecosystem, including, but not limited to, program activities to reduce sea otter mortality.	Grant	Public agencies and nonprofit organizations	Next application process summer 2019	None	Sea Otter Tax Check-Off	Approximately \$100,000 per year	About \$100,000 per year	www.scc.ca.gov Contact: Hilary Walecka hilary.walecka@scc.ca.gov 510-286-7029
Climate Ready Grants	The State Coastal Conservancy's Climate Ready Program seeks to encourage action to prepare for a changing climate by advancing planning and implementation of on-the-ground actions that reduce greenhouse gas emissions and lessen the impacts of climate change on communities and natural resources. The Conservancy seeks to support multi-benefit projects that use natural systems to enhance climate resilience.	Grant	Public agencies and nonprofit organizations	Announcement will be released spring 2019	\$2.85 million	Greenhouse Gas Reduction Fund	\$2.85 million	\$2.85 million, awards expected fall 2019	www.scc.ca.gov Contact: Mary Small mary.small@scc.ca.gov 510-286-4181
San Gabriel and Lower Los Angeles River and Mountains Conservancy									
San Gabriel and Lower Los Angeles Rivers and Mountains Conservancy (RMC)	The San Gabriel and Lower Los Angeles Rivers and Mountains Conservancy (RMC) was created by the California legislature in 1999. It is one of ten conservancies within the California Natural Resources Agency. Its mission is to preserve open space and habitat in order to provide for low-impact recreation and educational uses, wildlife habitat restoration and protection, and watershed improvements within its jurisdiction.	Grant	Cities, counties, nonprofits, JPAs, special districts, council of governments, countywide authority, special districts	Last round of competitive grant applications for Proposition 84 funds offered in 2007. No further competitive rounds planned at this time	None	Proposition 40, 50, 84	\$0	\$0	www.rmc.ca.gov Email: sgarcia@rmc.ca.gov Phone: 626-815-1019 x 110
