The Financial Assistance Division of the Oklahoma Water Resources Board is dedicated to assisting communities and rural water districts in maintaining adequate water and wastewater facilities. We are pleased to provide this booklet as a tool for identifying potential funding sources for water, wastewater, stormwater, and water quality projects. The following pages will help you identify funding sources, the type of funding they provide, and relevant contact information.

The following guide is for informational purposes only. It is not an endorsement by the Oklahoma Water Resources Board of any of the programs of other agencies or groups. Any information contained herein is subject to change at the discretion of the respective agency. The respective agency should be contacted to verify program information. The Oklahoma Water Resources Board cannot be held responsible for potential changes.

We look forward to assisting you with your future projects.

Sincerely,

A handwritten signature in blue ink that reads "Joe Freeman". The signature is fluid and cursive, with the first name "Joe" being more prominent.
