<u>Types of Financing Offered:</u> We specialize in financing all new projects (wells, radio read meters, office construction, etc.) and take a pledge of revenue as collateral. In addition to new projects, we also offer refinancing of existing debt. We offer long term fixed rates and have no LTV restriction, we don't require Interest and Sinking Funds, we don't Require an Environmental Study be completed, and we don't require Reserve Accounts.

Eligible Applicants: Any Water Supply Corporation, Special Utility District, Municipal Utility District, and City and County Government Length of Loans: Up to 20 years Minimum/Maximum Size of Loans: No Minimum or Maximum Additional Comments: Regions Bank has developed a special program for financing various projects for WSC's, SUD's, MUD's, and Muni's. In addition to not requiring any of the Interest and Sinking or Reserve Accounts, we have the ability to move very fast. For our Water Supply Corp. customers, we can typically have a new loan closed with 30 days. For the SUD's and MUD's, we can typically have those closed with 60-90 days (depending on how long it takes to get the Attorney General approval). We are local as my office is in Lufkin, TX, but I cover the entire East Texas area along with my boss, who is located in Tyler, TX. We can tailor any request to meet the needs of the water system. If you have any questions or would like to hear more about our program, I can be reached at 936-633-2165.
