

# **Ask Me Anything!**

## **State Revolving Fund (SRF)**

### **Technical Assistance & Open Office Hours**

**Ask Me Anything SRF Office Hours** will expand your knowledge and enhance your ability to navigate the SRFs. These sessions are tailored for state agencies, utility operators, and stakeholders who support water infrastructure projects. Each session will open with a specific theme, providing clarity, strategies, and practical insights for preparing and managing an SRF-funded project. The remainder of the session will be devoted to 'Ask Me Anything'. Participants can attend all sessions or select those that best meet their needs. Submit your questions in advance or bring them to the session for real-time support from our experts.

*Sessions will take place twice a month from Dec. 2024 through Nov. 2025. Except for holidays, sessions are scheduled on the 1st Wednesday of the month from 11-1pm EST and the 3rd Monday of the month from 2-4pm EST.*

**Series Presenter: Ashley Lucht**  
Director, Community Finance Team, Quantified Ventures
